MBA (Executive), MBAX (Online) & Graduate Certificates

Notes

By virtue of your enrolment, you agree to read and abide by all UNSW and AGSM Communications as well as any on campus guidance.

Your wellbeing is our priority and our venues are implementing rigorous health and safety measures to minimise the risk of COVID-19.

[Read UNSW's response to COVID-19](#)

<https://www.nsw.gov.au/covid-19/latest-news-and-updates>

If you are not well, please look after yourself, self-isolate, don't come to any campus, contact Student Experience and apply for Special consideration.

[Special Consideration](#)

We advise **early Class Registration** to secure preferred venues and class times. Popular classes fill quickly. Please don't register for a class you don't intend to proceed with as this impacts your colleagues and the viability of scheduled offerings. Classes with low enrolments may be cancelled. All assessment items must be submitted to the Facilitator in whose class you are enrolled on myUNSW and Moodle.

UNSW operates course & class **wait lists** and, where space permits, enrolment may be facilitated **until the end of week 1**.

[UNSW Waitlisting](#)

If enrolling in more than one course, review for any clashes and note the compulsory attendance requirement at Residentials and Intensives.

We STRONGLY caution against enrolling in 2 courses as it often impacts your learning experience and results.

Course materials are available on Moodle approximately 2 weeks prior to the commencement of Term.

[Moodle](#)

Some courses have a **final exam** (online) in week 12. Please refer to the Course overview or Assessment Summary document for further information.

[Course Outlines](#)

If you decide to take a **break from your studies** by not enrolling in consecutive sessions, you must advise Student Experience via email before the census date. AGSM relies on manual entry for Program Leave to keep you active in UNSW systems.

[Program Leave](#)

UNSW Policy requires that programs and materials be reviewed on a regular basis. Please note that programs, program structures, courses, and course content and facilitators are subject to change. Changes may have different impacts on students at different stages of their progress.

If you would like assistance with your program planning, contact Student Experience for a Progression Consultation. We anticipate our scheduling to be impacted by COVID-19 for the foreseeable future and this may require very late changes to arrangements.

AGSM reserves the right to alter any offering if circumstances require. Every effort will be made to find an alternate option for affected students, however this is not always possible.

For further information and for all enquiries, please contact the **AGSM Student Experience team** on:
