Enrolment & Waitlists	
<p>In 2021 UNSW introduced Class Registration Waitlisting (Step 2 of the enrolment process). This allows students to waitlist for a class per mode, day and time. Early enrolment is advised to secure your preferred class. Room caps for face-to-face classes vary in accordance with COVID-19 permitted maximum room capacity which is based upon room square meterage. Enrolment may be facilitated until the end of Week 1, subject to availability. Please note classes with low enrolments may be cancelled.</p> <p>Please do not enrol in classes you do not intend to proceed with as this impacts your colleagues and the viability of scheduled offerings. Enrolment may be facilitated until the end of week 1, subject to availability. Please note classes with low enrolments may be cancelled. Room caps for face to face classes will vary in accordance with the COVID permitted maximum room capacity which is based upon room square meterage.</p> <p>Please contact AGSM Student Experience (studentexperience@agsm.edu.au or 9931 9400) for assistance with enrolment - we can walk you through it.</p>	Enrolment

UNSW Policy requires that programs and materials be reviewed on a regular basis. Please note that programs, program structures, courses, and course content and facilitators are subject to change. Changes may have different impacts on students at different stages of their progress. If you would like assistance with your program planning, contact Student Experience for a Progression Consultation. We anticipate our scheduling to be impacted by COVID-19 for the foreseeable future and this may require very late changes to arrangements.
