### 2022 AGSM Annual Course Calendar - Open Monday 10 October at 11am

Annual Enrolment is when you express your interest in enrolling in subjects for the academic year. It is not a confirmed enrolment. You will have until 5pm on the final day of enrolment to finalise your enrolment. Once you have finalised your enrolment, a verified copy of your enrolment records will be generated. If you do not finalise your enrolment by the final day of enrolment, your enrolment will be removed from your record. If you are unsure about any aspect of the enrolment process, please contact AGSM Enrolments.

### Program Leave

You are encouraged to course enrol early as some courses or modes may have limited capacity or if minimal interest may not be opened. If you don't intend to study in a Term, please apply for Program Leave until a current course outline is released (approx 2 weeks prior to each Terms Class Registration dates), please use the previous course code(s) to view the most recent course outline from 2021. We're on this journey with you!

AGSM Policy requires that programs and materials be reviewed on a regular basis. Please note that programs, program structures, courses, and course content and facilitators are subject to change. Changes may have different impacts on students at different stages of their programs. If you would like assistance with your program planning, contact Student Experience for a Program Consultation.

We anticipate our scheduling to be impacted by COVID-19 for the foreseeable future and this may require very late changes to arrangements.

AGSM reserves the right to alter any offering if circumstances require. Every effort will be made to find an alternate option for affected students, however this is not always possible.
