		MBA (Executive) Executive Year - completed as a 1 year cohort experience, inclusive of 3 x 5 day Residentials in 3 consecutive terms.						
Residentials EY		From 2022 the MBAE Structure is no longer split into Stage 1 (core & electives) and Stage 2 (Executive Agenda Year (EAY)). From 2022 MBAE Students are able to enter the Executive Year after completing their 5 core courses. It is recommended to take the Executive Year after your core and electives to build on learning outcomes, but the flexibility is there to allow earlier entry (pending placements). Students take the 3 Residential courses across sequential terms, with the same cohort of students across all 3 terms.						
	≻ :	*MBAE7501 Executive Skills	MBAE7502 Growth & Innovation	MBAE7503 Disruption & Transformation	MBAE7504 Leadership Immersion	2022 Executive Year Schedule		
		*MBAE7501 Executive Skills is completed across three terms, alongside the other Executive Year Residential course being completed that term, so overall a total of 6UOC is covered across the year (2UOC per term). Approximately 1 day per Residential will cover MBAE7501 Executive Skills content. MNGT7501 Executive Skills also has a flexible component which will allow students to choose "mini-electives" from a selection of AGSM Executive Education short courses.
