CPHCE Bi-monthly Newsletter

CPHCE, UNSW

CPHCE Bi-monthly Email Newsletter November - December 2023

Highlights

- The CPHCE promotional video is launched. You can watch the video on YouTube via this [link](#).

- Emeritus Professor Mark Harris's Retirement event was held on 7th December at 4-6pm at the UNSW CBD Campus.

- HERDU received a Highly Commended Award for the 'Equity Focussed Health Impact Assessment of the Covid-19 Pandemic in the District', at the Sydney Local Health District Innovation and Excellence Awards presented at the Annual General Meeting on Wednesday 6th December. The Award category focussed on celebrating submissions that showcased collaboration between clinicians, researchers, policy makers, service users, health managers and consumers in healthcare, that supported improved outcomes for our patients. Another Highly Commended Award was presented to the 'Health and Wellbeing Social Housing Peer Education Program', submitted by the District Clinical Services Integration and Partnerships Team. HERDU have continued to partner with the team on this important project and assisted with the submission. More information about the awards can be accessed via this [link](#).

Communication

- Freddy Sitas has been recently appointed as Editor-in-Chief for the [Journal Cancer Epidemiology](#) (Elsevier). Cancer Epidemiology has an IF of 2.6 and prioritizes studies that contribute new information about cancer causes, prevention and control.
- Chris Standen being interviewed by ABC Radio on Sydney's new Rozelle Interchange [The World Today, 4/12/23](#). Quoted in ABC News article: [Rozelle Interchange design issues will be a problem for Sydney's future, experts say](#)
