

Module 6. Harnessing Lived Experience

Lived Experience Storyboard Exercise

These are suggested storyboard questions:

- What are some of the barriers experienced by women and girls in having their voices heard in refugee situations?
- How does this make them feel?
- What is the impact of them not sharing their knowledge and experience?
- What needs to be done to address these barriers? What support, and resources would the groups need to feel confident to speak out?
- Who can help with this?
- What would be the positive outcomes of this happening?
