## Program and Course Terminology

Please refer to the 2024 Handbook for the program and major rules: <https://www.handbook.unsw.edu.au/undergraduate/programs/2024/3521>

| Terminology                                  | Definition                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|----------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Integrated First Year Courses</b>         | Students must complete a 36UOC (6 course) of Introductory Business core course.                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>myBCom</b>                                | Students must complete three non-credit bearing myBCom professional development elements including myBCom Blueprint (COMM0999), myBCom First Year Portfolio (COMM1999) and myBCom Graduation Portfolio (COMM3999).                                                                                                                                                                                                                                                                                  |
| <b>Work Integrated Learning Course (WIL)</b> | Students must complete 6 UOC Work Integrated Learning (WIL) course within their program. This course can count as a free elective or where applicable, can count as a Commerce major elective or Synthesis course.                                                                                                                                                                                                                                                                                  |
| <b>Final Year Synthesis</b>                  | Students must complete either a 6 UOC Synthesis of Learning Course, or a 0 UOC Synthesis Experience. This course can count as a free elective or where applicable, can count as a Commerce major elective or WIL course. FYS would only be recognised if the course was completed within the remaining 48 UOC in the BCom component.                                                                                                                                                                |
| <b>Economics Core Courses</b>                | Students must complete 48UOC (8 courses) of level 1 and 2 Economics Core Courses.                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Economics Electives</b>                   | Students must complete 30UOC (5 courses) of Economics electives or accepted substitutes of Economics electives to ensure a student completes a <b>minimum of 78 UOC (13 courses) of Economics courses across the program.</b>                                                                                                                                                                                                                                                                       |
| <b>Optional Economics Majors</b>             | Students may wish to complete an optional Economics major(s) (ECONV1, ECONT1, ECONU1). If students do not complete an optional Economics major(s), students will complete program with a default major by completing program requirements.<br>Note: Students cannot complete both a default major and an optional Economics major.<br>If you choose to study 2 optional Economics majors, you must choose another 36UOC (6 courses) from the second major that do not overlap with the first major. |
| <b>Commerce Major</b>                        | Students must complete at least 1 Commerce major in an approved discipline stream offered by the UNSW Business School. Note that the 48 UOC includes the first disciplinary course in the core courses.                                                                                                                                                                                                                                                                                             |
| <b>Free Electives</b>                        | Free Electives account for 36UOC (6 courses) to satisfy the degree requirement of 192UOC (32 courses). These courses may be taken from the Business School or other Faculties. GEN coded courses cannot be counted as free electives. You may choose to use these Free Electives and Business School Electives to complete a second Economics major or a second Business major or minor. Free Elective courses can also be used to complete an optional approved minor from other faculties.        |

|                              |                                                                                                                                                                                                                                                                                                                                                                          |
|------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Maximum Majors/Minors</b> | Students may complete up to 3 majors or 2 majors and 1 minor within their program. Within a minimum of at least 1 major from Commerce and 1 major from Economics. Students completing 3 majors may exceed 192 UOC.<br><br><u>Note:</u> Students cannot complete both a default major and an optional Economics major. However, can complete 2 optional Economics majors. |
| <b>Level 1 limit</b>         | The maximum level one limit in this degree is 72UOC (12 courses).                                                                                                                                                                                                                                                                                                        |
| <b>Overall Program UOC</b>   | Students must complete a minimum 192 UOC (32 courses) across program requirements.                                                                                                                                                                                                                                                                                       |

\*Student can complete 6 UOC of ACTL3191 OR ACTL3192 to count as a Level 3 Economics course

<sup>^</sup>Where applicable, WIL and/or Synthesis may be met within the Commerce Major (please see major handbook page).

**To avoid completing more than 1 additional course, students should complete their program WIL and/or Final Synthesis requirements within their major(s) where possible.**

FYS would only be recognised if the course was completed within the remaining 48 UOC in the BCom component.

Students who complete a Final Year Synthesis course that is also a WIL course within a Major **will meet a Major elective, WIL, and Final Synthesis requirement.**

<sup>#</sup> Student may use their Free Electives to complete an additional Commerce or Optional Economics majors (additional UOC may be required)  
<sup>^</sup>Where applicable, WIL and/or Synthesis may be met within the Commerce Major (please see major handbook page). FYS would only be recognised if the course was completed within the remaining 48 UOC in the BCom component.

- Students may complete up to a maximum of 72 UOC of level 1 courses.
- Macroeconomics and Financial Markets major & Economic Policy and Society major students who already took 1 of ACTL3191 & ACTL3192 as a major elective **CANNOT** count the other ACTL course as an Economics Elective
- Students who did not take ACTL3191 or ACTL3192 as a major elective can count 1 of them as an Economics Elective

<sup>^</sup>Where applicable, WIL and/or Synthesis may be met within the Commerce Major (please see major handbook page).

To avoid completing additional UOC, students should complete their program WIL and/or Final Synthesis requirements within their major(s) where possible.

FYS would only be recognised if the course was completed within the remaining 48 UOC in the BCom component.

- Students may complete up to a maximum of 72 UOC of level 1 courses.
- Macroeconomics and Financial Markets & Economic Policy and Society double major students who already took 1 of ACTL3191 & ACTL3192 as a major elective in 1 major **CANNOT** count the other ACTL course as a major elective for the other major.

**Table B2. Approved Optional Economics Majors (48 UOC) for Bachelor of Commerce/Economics program.**

**Please refer to the 2024 Handbook for the program and major rules: <https://www.handbook.unsw.edu.au/undergraduate/programs/2024/3521>**

**Where a student completes 2 Optional Economics majors, they must take 6 courses (36 UOC) from the second major that do not overlap with the first major.**

<sup>^</sup> CPA/CAANZ professional recognition requirements. Note: additional 12 UOC elective courses will need to be completed if students wish to complete professional recognition requirements

<sup>\*</sup> ACCT3563 and ACCT3583 may count as Level 3 Economics electives under the Economics (Default) major

<sup>#</sup> ACCT3583 meets Major, Final Year Synthesis and CPA/CAANZ requirements. FYS would only be recognised if the course was completed within the remaining 48 UOC in the BCom component.

## First Year Recommended Enrolment Plan

**PLEASE USE THIS RECOMMENDATION AS REFERENCE ONLY – Plan may not be suitable for your chosen major(s) / minor requirement OR due to changed offering terms.**

| Commencing in T1 |              |              |
|------------------|--------------|--------------|
| T1 Enrolment     | T2 Enrolment | T3 Enrolment |
| ECON1101         | ECON1203     | ECON1401     |
| ECON1202         | ECON1102     | COMM1900     |
| COMM1140         | COMM1180     |              |
| COMM0999*        |              |              |

| Commencing in T2 |              |              |
|------------------|--------------|--------------|
| T2 Enrolment     | T3 Enrolment | T1 Enrolment |
| ECON1101         | ECON1202     | ECON1102     |
| ECON1203         | COMM1180     | COMM1170     |
| COMM1140         | ECON1401     |              |
| COMM0999*        |              |              |

| Commencing in T3 |              |              |
|------------------|--------------|--------------|
| T3 Enrolment     | T1 Enrolment | T2 Enrolment |
| ECON1101         | ECON1203     | COMM1170     |
| ECON1202         | ECON1102     | COMM1180     |
| COMM1140         | ECON1401     |              |
| COMM0999*        |              |              |

\*COMM0999 is 0 UOC for myBCom
