

# **Bachelor of Engineering (Hons) / Commerce 3764 Progression Plan for 2017 Commencing Students**

Never Stand Still	Business School
Terminology	Definition
Program compulsory core & flexible core courses	42UOC of compulsory and flexible core courses which students must complete under this degree.
Commerce Major	A sequence of approved courses (48UOC) in an approved discipline stream offered by the UNSW Business School (See Appendix A.), containing at least 18UOC at level 3. (Note that the 48UOC includes the first disciplinary course(s) in the Core (Compulsory or Flexible). This means that, for the majority of majors, students will complete 42UOC in specified disciplinary courses outside the core, except for the Real Estate Studies major.
	Students enrolled in the dual BE (Hons)/BCom program are not required to undertake either Quantitative Analysis for Business and Economics (ECON1202) or Business and Economic Statistics (ECON1203) as part of their Commerce component. Completion of the maths courses in the Engineering component of the dual degree are equivalent to these two courses.
UNSW Business School Elective	6-18UOC in UNSW Business School courses to ensure a student completes a minimum of 96UOC of Business courses within the Bachelor of Commerce. The exact number of courses to complete will depend on the major chosen.
	GEN courses cannot be counted as Business School electives.
