Eligibility

The Co-op Program is for students who commenced their first undergraduate degree directly after high school or up to two gap years. Applicants must:
- be an Australian Citizen, Permanent Resident of Australia or New Zealand citizen;
- be willing to complete industry placements with any of the available sponsors;
- be going into their 3rd year of their undergraduate degree in 2025, having commenced study in T1 2023;

Having met the academic requirement, Co-op scholars are largely selected on their interpersonal skills, motivation and leadership potential. Offers will be conditional upon applicants having achieved a credit minimum in all courses and overall WAM.

If you are not currently completing a Computer Science degree, it must be possible/practicable for you to change your degree to Computer Science in the current enrolment period.

It is preferred that students are enrolled in a single degree to accept a Co-op Program scholarship. If you are currently enrolled in a combined degree, this must be discussed with the Co-op Program office. Please note IT timing is fixed.
