What is it?

A **4 year career development scholarship worth \$13,625 pa** (tax-free) paid over 40 weeks per annum during the scholarship term. In addition, Mining scholars are paid by the sponsor company whilst on Industry training placement, at a rate equal to or above the prevailing Minimum Wage, which is taxable.

Being awarded a UNSW Co-op Program scholarship is an outstanding addition to your resume and an excellent opportunity for you to gain professional development and experience prior to graduation. **Get a head start on your CAREER!**

The successful applicant will receive:

- **2 x 20-week IT placements** (T3 2027, 2028*) full-time 'real-world' industry experience, which is recognised on your UNSW transcript and AHEGs;
- fortnightly payments from start date (during which time the scholar must be enrolled as a full-time student at UNSW in Mining Engineering);
- leadership and professional development program; plus more!

*UNSW will shift to a Semester timetable in 2028. Dates of 2nd placement to be determined.

See www.co-op.unsw.edu.au for more details on the Co-op Program.

Eligibility

The Co-op Program is for students who commenced their first undergraduate degree directly after high school or up to two gap years. Applicants must:

- be an Australian Citizen, Permanent Resident of Australia or New Zealand citizen;
- be willing to complete industry placements with any of the available sponsors;
- in their 1st year of their undergraduate degree in 2026, having commenced study in T1 2026;
- be majoring in Mining Engineering;
- be prepared to transfer to the [3707 Bachelor of Engineering \(Hons\) degree](#).

Having met the academic requirement, Co-op scholars are largely selected on their interpersonal skills, motivation and leadership potential.

If you are not currently completing a Mining Engineering degree, it must be possible/practicable for you to change your degree to Mining Engineering in the current enrolment period.

It is preferred that students are enrolled in a single degree to accept a Co-op Program scholarship. If you are currently enrolled in a combined degree, this must be discussed with the Co-op Program office. Please note IT timing is fixed.
