See www.co-op.unsw.edu.au for more details about the Co-op Program.

Eligibility

The Co-op Program is for students who commenced their first undergraduate degree directly after high school or up to two gap years. Applicants must:

- be an Australian Citizen, Permanent Resident of Australia or New Zealand citizen;
- be willing to complete industry placements with any of the available sponsors;
- be going into their 2nd year of their undergraduate degree in 2026, having commenced study in T1 2025;
- be majoring in Business Information Systems (BIS);
- align with [BIS sample study outline](#);
- be prepared to transfer to the [BIS \(Co-op\)\(Hons\) 3964 degree](#)

Having met the academic requirement, Co-op scholars are largely selected on their interpersonal skills, motivation and leadership potential. Offers will be conditional upon applicants having achieved a credit minimum in all courses and overall WAM.

If you are not currently completing a Business Information Systems degree, it must be possible/practicable for you to change your degree to Business Information Systems in the current enrolment period. It is preferred that students are enrolled in a single degree to accept a Co-op Program scholarship. If you are currently enrolled in a combined degree, this must be discussed with the Co-op Program office. Please note IT timing is fixed.

* You will need to present a report demonstrating industry experience, preferably with a current Coop Sponsor, or equivalent company, commensurate with [INFS2101](#); otherwise you will need to be prepared to undertake a 3rd (20 weeks) IT placement in 2028.
