Co-op Scholarship Program

What is Co-op?

A strategic partnership between industry and UNSW to attract, educate and develop your future industry leaders.

Early access to the nation's best & brightest

- Recruitment
- Networking & Mentoring
- Leadership Training
- Industry Experience
- Professional Development
- Financial Support

The role of a sponsor:

- **Providing** a \$22,000* annual scholarship for four years (invoiced annually);
- **Contributing** to scholar selection;
- **Offering** three high-impact industry training placements within your organisation;
- **Sharing** feedback on Program and academic content;
- **Participating** in tailored recruitment events and professional development for Co-op scholars.

The benefits for sponsors include:

- **Recruiting** top students with strong technical and soft skills upon program completion;
- **Engage** students on full-time placements (up to 18 months) – no headcount impact or additional cost;
- **Developing** future industry talent through real-world learning opportunities;
- **Elevating** your organisation's profile within the broader UNSW community;
- **Leveraging** strategic networks and partnerships within the University as a VIP industry partner;
- **Sponsoring** 5th year Honours students in select programs to complete industry-linked thesis projects (optional).

Scholars are selected by joint sponsor–UNSW panels for academic excellence, leadership, industry awareness, communication and motivation.

"Our multi-decade partnership with the UNSW Co-op Program reflects a shared commitment to developing the next generation of business and technology leaders. Year after year, we're impressed by the exceptional calibre of the scholars who join Westpac. By giving them real-world exposure to complex cyber and technology challenges, we're building capability for Westpac as well as helping shape leaders who are contributing to Australia's digital economy."
