Message from the Director

UNSW is committed to removing systemic barriers to access higher education. This commitment is central to our UNSW Strategy: Progress for All, our mission and our core values, and is reflected in the work of UNSW Gateway.

That work has contributed to UNSW maintaining its position as the preferred Sydney university among students from low-socioeconomic backgrounds, based on Universities Admissions Centre preference data. It is also making a measurable difference to the UNSW community, with 25% of commencing domestic undergraduates now either coming from a low-socioeconomic background, identifying as Aboriginal and/or Torres Strait Islander, or attending a Gateway partner school.

The success of UNSW Gateway is reflected in the experiences and outcomes of our students. Those who engage with our Gateway Programs and enter through the Gateway Admission Pathway establish an early sense of belonging and succeed at university, achieving median weighted average marks on par with those of their peers despite some entering through adjusted ATARs.

Our support begins well before students apply. We believe academic attainment underpins long-term success at university, which is why the Gateway Programs engage students in Years 9 to 12 through evidence-informed, curriculum-linked learning experiences. These programs are evaluated annually to ensure they remain useful and meaningful and are designed to engage students at key points of transition in their educational journeys.

Learning experiences through the Gateway Programs include academic workshops, HSC enrichment, immersive on-campus experiences and opportunities in leadership, entrepreneurship and career development. Through these, students gain insight into university life and a clearer understanding of the academic expectations of higher education. They also begin to establish a sense of belonging through authentic connections with our trained University Ambassadors—current UNSW students, many of whom have come through the Gateway Admission Pathway and attended similar schools.

When students are ready to make informed decisions about applying to university, the Gateway Admission Pathway provides access to undergraduate degrees, alongside supported places in diplomas and preparation programs. Students who enter UNSW through the Gateway Admission Pathway are also prioritised for scholarships, awards, transition support and employment opportunities, providing a strong foundation as they transition to university and progress towards meaningful careers.

The progress we have made would not be possible without the support of our partner schools. We look forward to working with you and connecting your students with the Gateway Programs and Gateway Admission Pathway.

- Priority access to career development and industry partnership programs
- Targeted career pathway planning

Student impact

UNSW Gateway is underpinned by a tailored theory of change, guiding how we respond to the four key questions students face on their educational journey and the impact this creates.

Where am I going?

The map
We improve students' understanding of university to aid informed decision-making about post-school options.

What will I need?

The key
We enhance students' academic attainment and reduce barriers to entry for expanded post-school study options.

How will I get there?

The compass
We build students' learner identity and confidence to successfully navigate their educational journey.

Who will show me?

The guide
We provide students with trusted information from current university students from similar backgrounds.

From awareness to readiness
Students develop their understanding of future possibilities and their skills to navigate their educational journey and enhance their academic attainment.

Turning goals into action
Students apply their knowledge and skills to achieve academically. They make informed decisions about their educational futures that align with their strengths, interests and goals, and successfully transition to UNSW through the Gateway Admission Pathway.

Creating lasting change
Students from underrepresented backgrounds have increased access to university and are set up to succeed.

Years 9 – 12

Gateway Programs

Year 9

Gateway to STEM Program

Exploring real-world challenges through STEM

Dates	Term 3, Weeks 2 – 8
Duration	Up to 6 classroom lessons and a UNSW campus experience
Location	In school, online and on campus at UNSW Sydney

Gateway to STEM is an enrichment program where students investigate a real-world challenge in their local community and use science, technology, engineering and mathematics to develop a solution.

Students work in teams across classroom learning, UNSW-led experiences and hands-on learning on campus. The program concludes with a STEM Showcase, where students present their solutions to an audience of academics, teachers, parents/carers and peers.

Participating schools receive lesson plans and resources, student workbooks and access to an online platform that guides students through each of the school-based components of the program.

Who should attend

Year 9 students with a strong interest in STEM

Student learning outcomes

- Confidence and agency as STEM problem-solvers.
- Strengthened positive attitudes towards STEM and their own belonging in STEM university environments.
- An understanding of how science, engineering and technology work together to make a difference in their local community.
- Awareness of STEM study pathways, careers and future possibilities.
- Confidence in presenting ideas to an authentic audience.

Year 10

Gateway Values in Action Program

Connecting personal values with future possibilities

Dates	Term 1, Weeks 4 – 7
Duration	1 classroom lesson
Location	In school

Gateway Values in Action encourages students to explore how their values and interests influence decisions about their future. Through guided activities and conversations with University Ambassadors, students build a clearer picture of their values and begin connecting them with degrees, careers and post-school options. Schools will also receive extension resources to explore the Inside Out app with their students.

Who should attend

Year 10 students considering post-school study at select Gateway partner schools

Student learning outcomes

- A clearer understanding of personal values and the ability to connect them to post-school options.
- Confidence to articulate a personal goal or vision for the future.
- Awareness of post-school study options and the pathways to get there, including the Gateway Admission Pathway.

Inside Out app

This specially designed app guides students in connecting their personal values to UNSW degrees and career options.

“It boosted my confidence a lot because it showed me traits I never knew I had”

Year 10 student

Year 10

Gateway Writers Festival

Finding authentic voice through storytelling

Dates	Term 4, Week 2
Select from	19, 20, 21 October
Time	9am – 2:30pm
Location	UNSW Sydney campus

Gateway Writers Festival connects students with published Australian authors and other young writers to learn about writing as a creative process and consider how their lived experiences, perspectives and knowledge can shape authentic stories. English teachers are also invited to participate in a professional learning workshop focused on amplifying authentic narratives, leaving with practical strategies and materials for their own classrooms.

Who should attend

Year 10 English students with an interest in creative writing at select Gateway partner schools

Student learning outcomes

- Deeper understanding of how lived experience, perspective and knowledge can enrich writing across all genres.
- Practical strategies for developing original ideas through experimentation, revision and reflection.
- Increased confidence in their own voice and place within a community of writers.

Year 11

Gateway Leaders Program

Developing leadership skills for meaningful impact

Dates	Term 1, Weeks 9 & 10
Select from	23, 24, 25, 31 March, 1, 2 April
Time	9am – 2:30pm
Location	UNSW Sydney campus

Gateway Leaders develops students' leadership voice and teaches them how to communicate with confidence and influence. Working with expert communication facilitators, University Ambassadors and students from other schools, students explore different leadership approaches and practise strategies they can apply at school and in their community.

Who should attend

Year 11 students who demonstrate emerging leadership capacity at select Gateway partner schools

Student learning outcomes

- Deeper understanding of how personal strengths and values can be harnessed for leadership purposes.
- Practical strategies to communicate with influence.
- Increased confidence to set leadership goals and enact strategies to create impact.

"The sessions boosted the students' confidence and how they present themselves. It definitely encouraged them to take on student leadership roles."

Year 11

Gateway Strengths for Success Program

Understanding personal strengths and using them with purpose

Dates	Term 2, Weeks 3 – 9
Duration	1 classroom lesson
Location	In school

Gateway Strengths for Success encourages students to think critically and reflectively about their strengths and how these can be harnessed when approaching challenges in their final school years and their future. The session also introduces how the Gateway Programs and Gateway Admission Pathway support students' future goals.

Who should attend

Year 11 students on an ATAR pathway at select Gateway partner schools

Student learning outcomes

- Stronger understanding of personal strengths and how to harness them when approaching challenges.
- Practical strategies to navigate the demands of senior school and decisions about future study.
- Insight into how the Gateway Programs and Gateway Admission Pathway can support educational goals.

"It can often be challenging for students to think positively about themselves. It was clear through their engagement and enthusiasm with the University Ambassadors they were able to recognise and visualise their strengths which I think will have a positive impact on confidence."

Year 12

Gateway Conversations that Matter Program

Turning interests and goals into action

Dates	Term 2, Weeks 3 – 9
Duration	1 classroom lesson
Location	In school

Gateway Conversations that Matter facilitates meaningful conversations between students, their peers and University Ambassadors that encourage students to reflect on their motivating passions, strengths and future goals, while building confidence to articulate possible next steps in their post-school decision-making. Students also explore the benefits provided through Gateway in their final year of school, including digital academic resources, On-Campus Days and the Gateway Admission Pathway.

Who should attend

Year 12 students on an ATAR pathway at select Gateway partner schools

Student learning outcomes

- Greater confidence articulating personal passions, strengths and hopes for the future.
- Clearer sense of the steps involved in deciding what comes after school.
- Practical understanding of educational opportunities offered through Gateway and how to apply for UNSW through the Gateway Admission Pathway.

Years 11 & 12

Digital academic resources

Preparing for the HSC, university and beyond

Dates	May – November
Location	Access details will be shared with students following the Gateway Strengths for Success and Conversations that Matter Programs
Who can access	All eligible Years 11 & 12 students

Free digital academic resources to prepare students for the HSC and the transition to university.

What's on offer

- HSC practice papers with personalised feedback
- Access to study apps
- Opportunity for free online tutoring in select HSC subjects
- Guidance on preparing a Gateway Admission Pathway personal statement

Student learning outcomes

- Enhanced study strategies and subject-specific knowledge to support HSC performance.
- Practical skills to prepare a strong Gateway Admission Pathway application.
- Broader knowledge of the opportunities available at UNSW.

Years 11 & 12

Gateway On-Campus Days

Experiencing university firsthand

Dates	Winter school holidays, 7 & 8 July
Duration	2 days
Location	UNSW Sydney campus

On-Campus Days give students the opportunity to explore UNSW, learn about faculties and degrees and experience university life. Over two days, students take part in hands-on faculty workshops, subject-specific masterclasses, campus tours and conversations with UNSW students, academics and clubs and societies.

Who should attend

All eligible Year 11 & 12 students

Student learning outcomes

- Deeper knowledge of UNSW degrees and university study.
- Stronger sense of belonging at university and identification as a future university student.
- Confidence to make informed post-school decisions.

"The faculty experiences provided us with the opportunity to solve real-world problems, while making new friends. The free lunch and transport were also great!"

Year 12 student

Gateway Admission Pathway

A pathway to UNSW that considers more than the ATAR

What's on offer

Through the Gateway Admission Pathway, students can receive either a guaranteed early offer on completion of the HSC or an early conditional offer with a reduced ATAR requirement. Offers are available across a range of program types.

Undergraduate bachelor's degrees

Most UNSW Sydney undergraduate bachelor's degrees are available through the Gateway Admission Pathway, with adjusted ATAR requirements of up to 15 points below the previous year's lowest selection rank.

unsw.to/adjusted-atars

UNSW College Diplomas

UNSW College Diplomas follow the first-year curriculum of a relevant UNSW bachelor's degree with smaller classes and additional academic support. Students who complete a diploma can progress directly into the second year of the relevant degree.

unswcollege.edu.au/study/gateway

University Preparation Program

A 12-month, fee-free program of full-time study across a range of disciplines develops the foundational academic skills students need for undergraduate study. Upon completion, students can apply for an undergraduate degree at UNSW or another university.

unsw.to/upp

Indigenous Pre-Program

A three-week intensive residential program for Aboriginal and/or Torres Strait Islander students that includes assessments within their chosen faculty or school. Upon successful completion, participants may be offered a place in a connected UNSW undergraduate degree.

unsw.to/indigenouspreprograms

Who can apply

To be eligible, students must:

1. Be an Australian/New Zealand Citizen, Australian Permanent Resident or hold an identified visa
2. Intend to complete an Australian Year 12 qualification in the year of application or have completed one within the past five years
3. Meet at least one of the following equity criteria:
   a. Currently live in a low-socioeconomic area^
   b. Are Aboriginal and/or Torres Strait Islander
   c. Attend a UNSW Gateway partner school^^
   d. Hold an eligible permanent protection, temporary protection or bridging visa^^

How it works

Students apply
Students submit an online application including a personal statement responding to three short questions about themselves.

Applications are assessed
Current Year 12 students are assessed based on their Year 11 academic results and personal statement. Those who have completed Year 12 within the past five years are assessed based on their ATAR and personal statement.

Offers are released
Two rounds of offers are made with successful applicants receiving either an early offer, an early conditional offer or interview invitation.

Conversion to firm offers
Students who meet the conditions of their offer receive a firm offer to study at UNSW.

Nail It! app

The app guides students through the process of developing a strong personal statement for their Gateway Admission Pathway application.
