Course code:	**Course name:**

Name of this Assignment Item:

ACADEMIC REQUIREMENTS

Before submitting this assignment, students are strongly advised to:

- Review the assessment requirements in the briefing document for the assignment from the Course Convener.
- Review the various matters related to assessment in the relevant Course Outline.
- Review the Plagiarism and Academic Integrity website at https://student.unsw.edu.au/plagiarism to ensure they are familiar with the requirements to provide appropriate acknowledgement of source materials.
- Retain a copy of this assessment for their records and in case it is misplaced, it has to be re-submitted.

If after reviewing this information there is any doubt about assessment requirements then in the first instance students should consult with the Course Convener.

While students are generally encouraged to work with other students to enhance learning, all assignments submitted for assessment by a student must be their entire own work and they may be required to explain any or all parts of the assignment to the Course Convener or other authorised persons.

Plagiarism and Collusion are considered as Academic Misconduct and will be dealt with according to University Policy.

STUDENTS DECLARATION OF ACADEMIC INTEGRITY

We declare that:

- This assessment item is entirely our own original work, except where we have acknowledged use of source material [such as books, journal articles, other published material, the Internet, and the work of other student/s or any other person/s].
- This assessment item has not been submitted for assessment for academic credit in this, or any other course, at UNSW or elsewhere.
- We have read and understood the University Rules in respect of Student Academic Misconduct.

We understand that:

- The assessor of this assessment item may, for the purpose of assessing this item, reproduce this assessment item and provide a copy to another staff member of the University.
- The assessor may communicate a copy of this assessment item to a plagiarism checking service (which may then retain a copy of the assessment item on its database for the purpose of future plagiarism checking).
