List of UNSW programs eligible for extended post-study work rights

Updated October 2023

The Australian Department of Education has announced a two-year extension of post-study work rights is available for international graduates with select degrees that are in areas of verified skill shortage.

This extension will give eligible international higher education graduates an additional two years on their Temporary Graduate visa (subclass 485).

For more information about Temporary Graduate visa (subclass 485) and this extension, please visit the Department of Education website.

The 184 courses that are currently eligible for Post Study Work Rights Extension are:
