- 1.2 The Chancellor or, in the absence of the Chancellor, the Deputy Chancellor or, in the absence of both, the Vice-Chancellor may call a special meeting of the Council to meet at any time in the interval between ordinary meetings.
- 1.3 Upon the written request of any 5 members of the Council, the Chancellor, Deputy Chancellor or Vice-Chancellor or, in their absence, the University Secretary must convene a special meeting of the Council to be held within 14 days after the receipt of the request. The written request must specify the matters which the 5 members wish the Council to consider.
- 1.4 Any meeting of the Council may be adjourned to a later date.
- 1.5 The University Secretary must provide each member of the Council a notice of meeting specifying the date of the next meeting of the Council and whether the meeting is an ordinary or special meeting. The notice of meeting must, so far as practicable, be provided 7 days prior to the date of the meeting. All matters to be considered at any meeting must be stated in the notice of meeting or in a supplementary notice of meeting which must be provided to each member of the Council, so far as practicable, 3 days before the meeting. Where practicable, the notice of meeting or supplementary notice of meeting must be accompanied by supporting statements in sufficient detail to allow members the opportunity to consider the matters prior to the meeting.
- 1.6
  - (a) At ordinary meetings, unless otherwise decided by the Council, no motion initiating any subject for discussion must be made except in pursuance of a notice of motion given to the University Secretary 10 days before the meeting of the Council at which the motion is to be moved.
  - (b) At special meetings, unless otherwise decided by the Council, no motion must be made on any matters other than those listed in the notice of meeting or supplementary notice of meeting.
- 1.7 If a quorum of the Council is not present within half an hour after the time set for any meeting, the members then present may set a convenient future day as the day on which the meeting must be held. The day set may be the day of the next ordinary meeting of the Council but in any case must be such as to enable the University Secretary to give all members 7 days' notice of the meeting, in accordance with Rule 1.5. Where the set day is the day of the next ordinary meeting of the Council, the business which was to have been dealt with at the meeting lacking a quorum must take precedence over the business of the ordinary meeting of the Council.
- 1.8 The minutes of any meeting of the Council which have not been approved as being a true record must be circulated to members prior to the next ordinary meeting of the Council. Upon being approved as correct, such minutes must be signed by the Presiding Member as being the true record.
