

Centre for Primary Health Care and Equity

Research Priorities Forum

Date: Tuesday 16 July 2019
 Time: 9.30am-1.30pm (including lunch)
 Venue: Hugh Dixon room, AGSM Building

2019 Research Priorities Forum - Research Priorities for Central and Eastern Sydney

The Research Priorities Forum is being hosted by the Centre for Primary Health Care and Equity, UNSW in collaboration with Sydney Local Health District (SLHD), South Eastern Sydney Local Health District (SESLHD) and Central and Eastern Sydney Primary Health Network (CESPHN).

Purpose of the day:

- Build on the Central and Eastern Sydney (CES) primary and community health research priorities identified at previous workshops in 2016 and 2018.
- Highlight existing research using the CES Primary and Community Health Cohort/Resource (CES-P&CH).
- Reflect on and identify CES primary and community health research priorities that could be undertaken over the next 1-3 years using CES-P&CH with/without enhancements.
- Develop a program of work using CES-P&CH for 2019 onwards.

Program

Time	Item
9.15 am	Registration
9.30 am	Welcome and Introductions – Prof Mark Harris, Chair
	Progress to date including conference presentations using the resource
	Summary of research using CES Primary and Community Health Cohort/Resource (A/Prof Margo Barr) including conference presentations:
9.40 am	<ul style="list-style-type: none"> • GP follow-up within 2 weeks of hospital discharge in a community dwelling population of residents in Central and Eastern Sydney, Australia – presented at NAPCRG (Prof Mark Harris) • Understanding the predictors of services use in older people to plan for and provide quality cost-effective care – presented at ICIC (Dr Sonia Van Gessel) • Understanding the medical determinants and health service needs of older people who experience loneliness in Sydney, Australia – poster at ICIC (A/Prof Margo Barr and Ms Lou-Anne Blunden)
	Keynote Presentation – Dr Jessica Stewart, Director, FACS Insights, Analysis and Research (FACSIAR)
10.00 am	The keynote presentation will focus on how agencies/services do and can work together to improve outcomes, with emphasis on outcomes frameworks and how research was used to develop them.
	Landscape and partner priorities – presentations from Mr Tony Jackson (SESLHD), Ms Lou-Anne Blunden (SLHD) and Dr Michael Moore/Dr Brendan Goodger (CESPHN)
10.30 am	Presentations on primary health care and integration priorities and current issues.
	Research Priorities Identification – Facilitated by A/Prof Frederic Sitas
10.50 am	Research themes/topics will be identified and prioritised.
11.00 am	<i>Morning Tea</i>
	Research Priorities Small Group Discussion – Facilitated by A/Prof Frederic Sitas
11.20 am	Top 6-7 research themes/topics will be discussed in more detail in small groups including if they can be explored using CES-P&CH.
	Translating what we learn into practice – Dr Yalchin Oytam, Manager of Data Analytics (NSW Ministry of Health).
12.10 pm	Presentation focusing on how research is and can be used in primary health care including information on the Primary Care Data Linkage project.
12.40 pm	Wrap up and identification of next steps followed by Lunch (12.45pm onwards) – Prof Mark Harris
