# Who we are

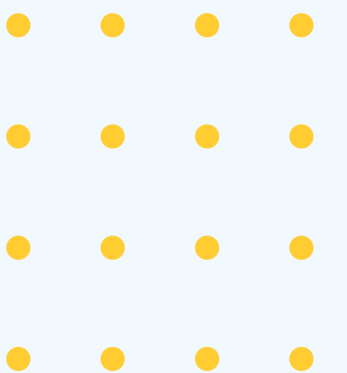

Community health workers (CHWs) are at the center of everything we do.

Each year, El Sol serves over 50,000 community residents serving the Inland Empire through its programs led by CHWs/Ps.

El Sol has trained more than 3000 CHWs/Ps in USA and oversees and technical assistance to agencies across the world.

Celebrating 30 years of helping our community achieve positive, measurable change.

# Our focus is CHW Training and Growth

## Vision and Mission

Facilitate Community Health Worker capacity to serve as catalysts for change through a holistic and transformative learning approach.

Enable transformation through relevant blended opportunities that ensure continuous growth in CHW/Ps' identity and proficiency as community agents of change.

## YEARS OF EXPERIENCE

Developing more than 211 CHW/P training curricula, we embrace holistic growth through the CHW/P Training Center.
