

SCHOOL OF OPTOMETRY AND VISION SCIENCE UNSW

SUPPLEMENTARY EXAMINATION TIMETABLE TERM 2, 2026

The information below is all that is available regarding supplementary examinations. Please do not contact the Course Controllers or School to ask for further details regarding the examinations.

This is for OPTM and VISN courses only. Information regarding further assessment in servicing courses must be obtained from the School responsible.

Please note that the rules and regulations governing the examinations held within the formal examination period by the University also apply to these supplementary examinations. This includes displaying your student identification card on your desk in the examination room for the duration of the examination.

PLEASE ADVISE THE SCHOOL IMMEDIATELY OF ANY CLASHES.

This document consists of seven pages.

VISN1111 GEOMETRICAL AND PHYSICAL OPTICS

The following students are required to sit for a compulsory supplementary examination on **Thursday, 3 September 2026 at 10:00am – 12:30pm plus 15 minutes reading time for a supplementary theory examination.** Formula sheets will be provided.
