NOTES
The expected study load is 8 courses spread over three terms, with an option of completing 9 courses (three per term).

* International students from non-English speaking countries enrolled in the full-time program are required to take the additional preparatory course PHCM9100 in their first Term. This course is available for all students to assist to gain maximum benefit from their study. The course is made available at no charge to students and does not contribute to the UOC requirements of the degree.
