

Master of Materials Technology 8717 – T3 2026 START

[object Object],[object Object],[object Object]

Program: Materials Technology [8717]

Year 1 Term 3

Course or Activity	Prerequisites	Credits
MATS6002 Fundamentals of Materials Design		6
<i>Advanced Disciplinary Electives</i>		6
<i>Advanced Disciplinary Electives</i>		6

Year 2 Term 1

Course or Activity	Prerequisites	Credits
MATS6001 Fundamentals of Materials Processing		6
<i>Advanced Disciplinary Electives</i>		6
<i>Advanced Disciplinary Electives</i>		6

Year 2 Term 2

Course or Activity	Prerequisites	Credits
MATS6004 Materials Industry Management		6
<i>Advanced Disciplinary Electives</i>		6
<i>Advanced Disciplinary Electives</i>		6

Year 2 Term 3

Course or Activity	Prerequisites	Credits
MATS6114 Research Project A		6
<i>Advanced Disciplinary Electives</i>		6

Year 3 Term 1

Course or Activity	Prerequisites	Credits
MATS6003 Presentation Skills for Materials Technology		6
MATS6114 Research Project A		6
<i>Advanced Disciplinary Electives</i>		6

Year 3 Term 2

Course or Activity	Prerequisites	Credits
MATS6113 Research Project		12

*Lock: Students are required to take these courses within the specified semester
