

UNSW RNA Institute

Quality Policy Statement

The UNSW RNA Institute is committed to providing high-quality services in the development and provision of RNA-based therapeutics. We achieve this through:

- Ensuring all staff are trained and competent in the required skills.
- Consistently meeting or where possible, exceed client expectations with regards to the quality of the products and services delivered.
- Maintenance and continuous improvement of the quality management system to meet the requirements of ISO 9001.
- Adhering to relevant statutory, safety, regulatory and legal legislation.
