

Remove a pathway

You can remove a pathway from your study plan if you later change your mind.

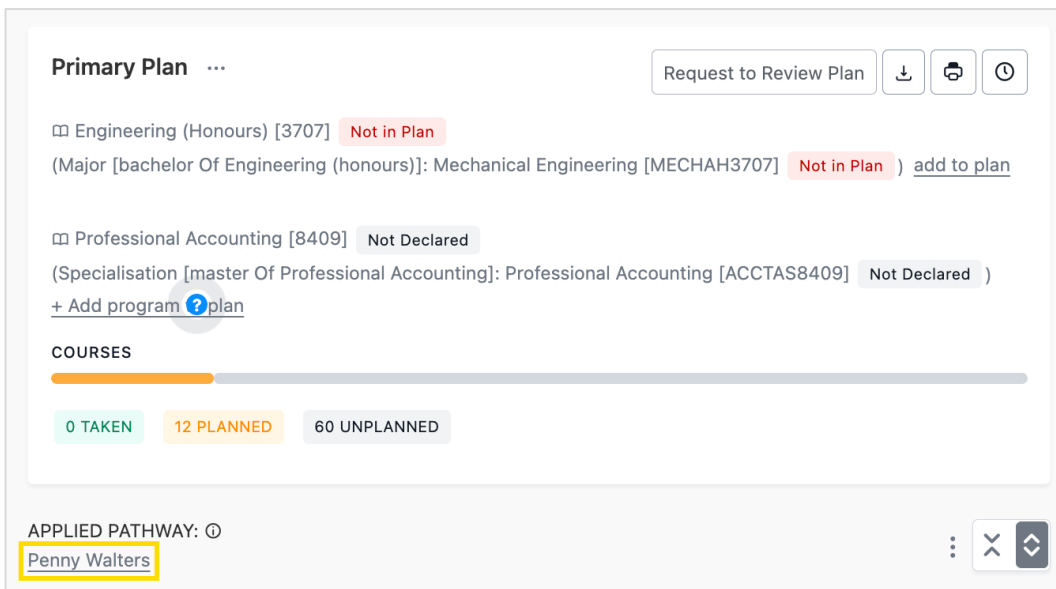

Instructions:

1. Select **Plan your Path** in the side menu or **Go to Planner** to access the Planner.

The screenshot shows the UNSW student dashboard. On the left is a dark sidebar menu with options: Home, Track Progress, Plan your Path, Explore (with a dropdown arrow), Courses, Pathways, and Programs. Below the menu are 'QUICK LINKS'. The main content area is titled 'Home' and features a search bar at the top right. Under 'Quick Access', there are two panels. The 'Track' panel shows 'Graduation Requirements' with a checkmark, 'Enrolled' as 'Engineering (Honours) [3707]', and 'Remaining' as '16 courses 96 units of credit' with a progress bar and a 'See Progress' button. The 'Plan' panel shows 'Your Pathway' with a plus icon, 'Planned' as '3 Courses (Term 3 2024)' and '10 more courses to plan' with a progress bar and a 'Go to Planner' button.

2. Select the **Pathway** hyperlink to view options.

The screenshot shows the 'Primary Plan' view. At the top right, there are buttons for 'Request to Review Plan', download, print, and refresh. Below this, two courses are listed: 'Engineering (Honours) [3707] Not in Plan' and '(Major [bachelor Of Engineering (honours)]: Mechanical Engineering [MECHAH3707] Not in Plan) add to plan', and 'Professional Accounting [8409] Not Declared' and '(Specialisation [master Of Professional Accounting]: Professional Accounting [ACCTAS8409] Not Declared) + Add program plan'. A 'COURSES' section shows a progress bar and three status boxes: '0 TAKEN', '12 PLANNED', and '60 UNPLANNED'. At the bottom, 'APPLIED PATHWAY: Penny Walters' is displayed with a dropdown arrow and a close button.

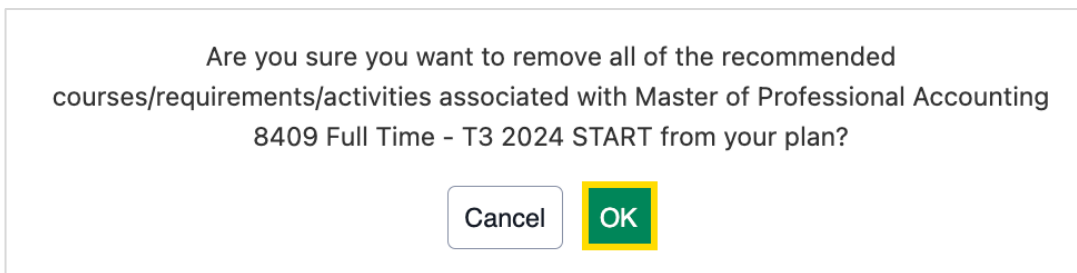

3. Select **Remove from plan** to remove the pathway from your study plan.

The other options are:

- **View pathway (side view)** keeps you in the planner and shows you the pathway and the courses side-by-side. This allows you to drag across select courses without applying the entire pathway.
- **View pathway (full view)** takes you to the pathway template.

4. Select **OK** to confirm the removal of the pathway from your record.

The student record refreshes and the pathway is no longer applied.
