

# Pathways

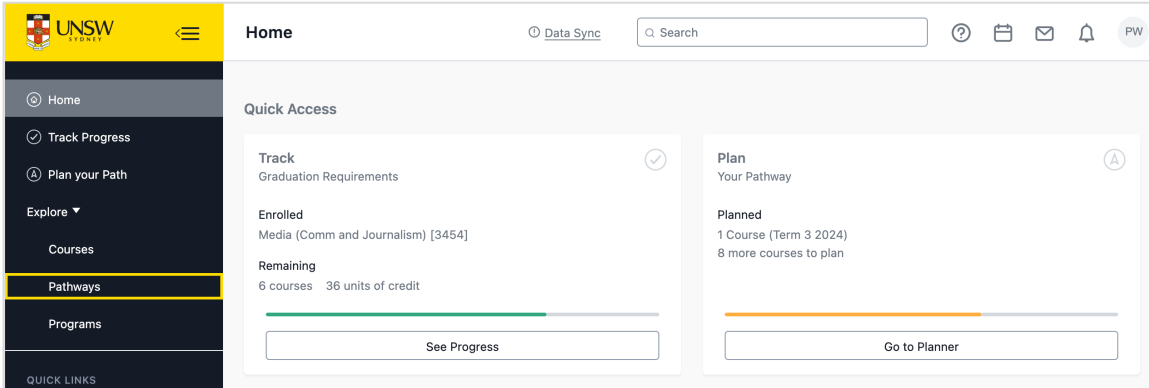

Pathways allows you to browse and apply recommended pathways to your study plan.

Browse pathways.....	2
Apply a pathway.....	5
Remove a pathway .....	9

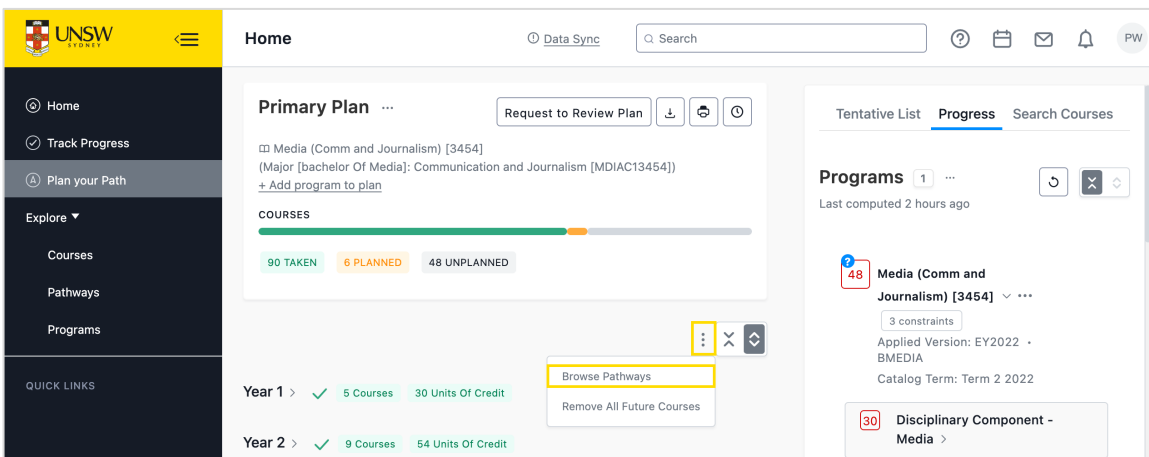

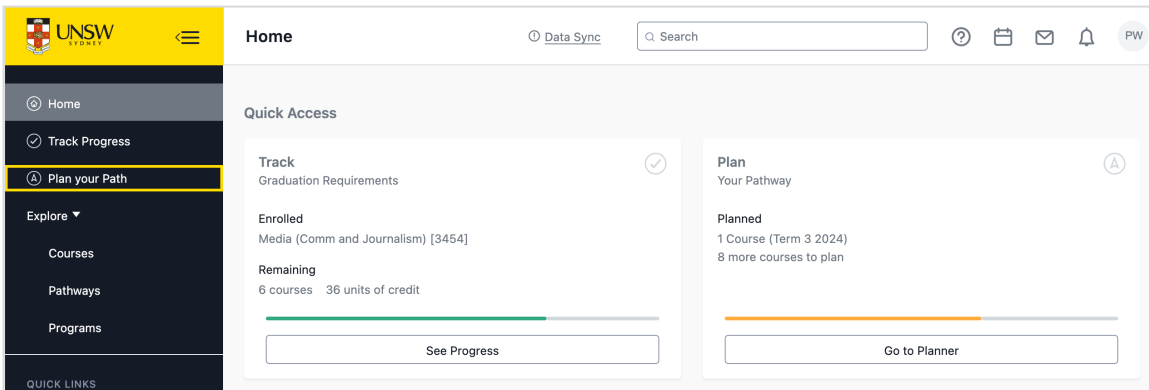

# Browse pathways

You can create your own study plan from scratch or browse pathways and apply to your study plan. There are 3 ways to access pathways. These are:

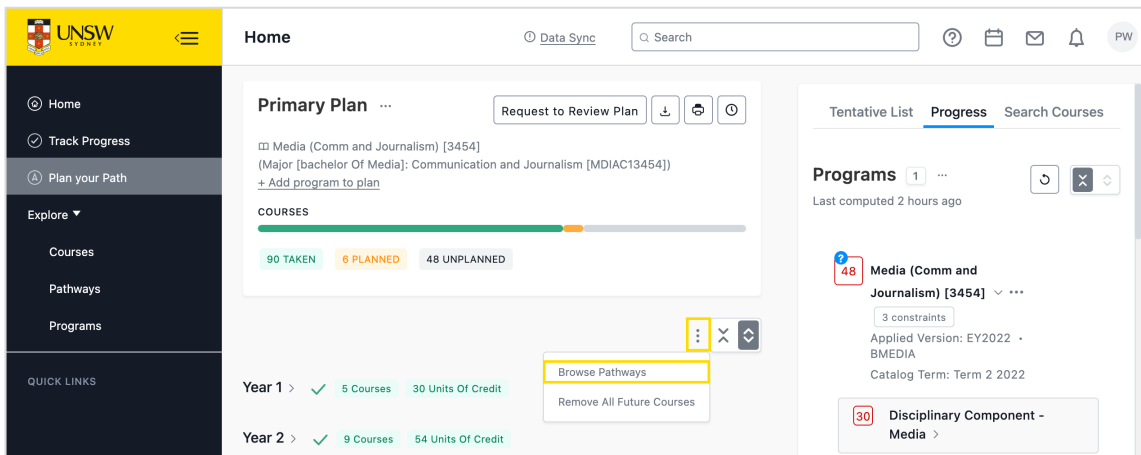

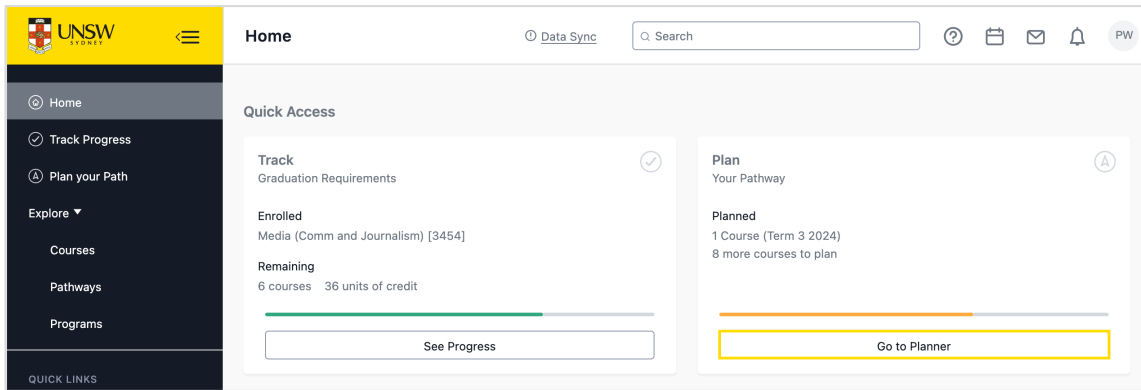

## 1. Via Explore > Pathways in the side menu

## 2. Via Plan your Path in the side menu > ellipsis icon in the planner > Browse Pathways

3. Via **Go to Planner** in Quick Access links > **ellipsis icon** in the planner > **Browse Pathways**

The **pathways** display for you to explore. Pathways include those specific to your program plus all other pathways available at UNSW.

The screenshot shows the UNSW Pathways website interface. At the top, there's a search bar and navigation icons. Below that, a sidebar on the left contains navigation options like Home, Track Progress, Plan your Path, and Explore. The main content area is titled 'Pathways' and shows a search for 'Public Health [9045]'. It displays a grid of pathway cards, each with a title, author, and details. For example, one card reads: 'Master of Public Health 9045 Full Time - Minor Project - T1 2024 START' by Nicholas Siggelkow, 3 terms - 5 courses - 3 choices. Another card shows 'Master of Public Health 9045 Full Time - Spec: Health Promotion - T1 2024 START' by Nicholas Siggelkow, 3 terms - 5 courses - 3 choices. The page also includes a section for 'All Pathways' with a list of all pathways available.

You'll see the pathways specific to your program or specialisation in the first section.

At the bottom of the page, you'll see all pathways available at UNSW.

**Components:**

- a. Program name
- b. Program code
- c. Time commitment
- d. Specialisation, if relevant
- e. First teaching period

You have access to browse all pathways to find the one that works best for you. But you can create your own pathway from scratch if this is your preference.

The diagram illustrates the components of a pathway title:
 

- A**: Master of Public Health
- B**: 9045 Full Time -
- C**: Spec: Health Promotion -
- D**: T1 2024 START
- E**: by Nicholas Siggelkow

 Below the title, it lists '3 terms • 5 courses • 3 choices' and 'Public Health [9045] • Health Promotion [PHCMJS9045] • EY2024'.

Select a pathway to explore the recommended way to complete the program.

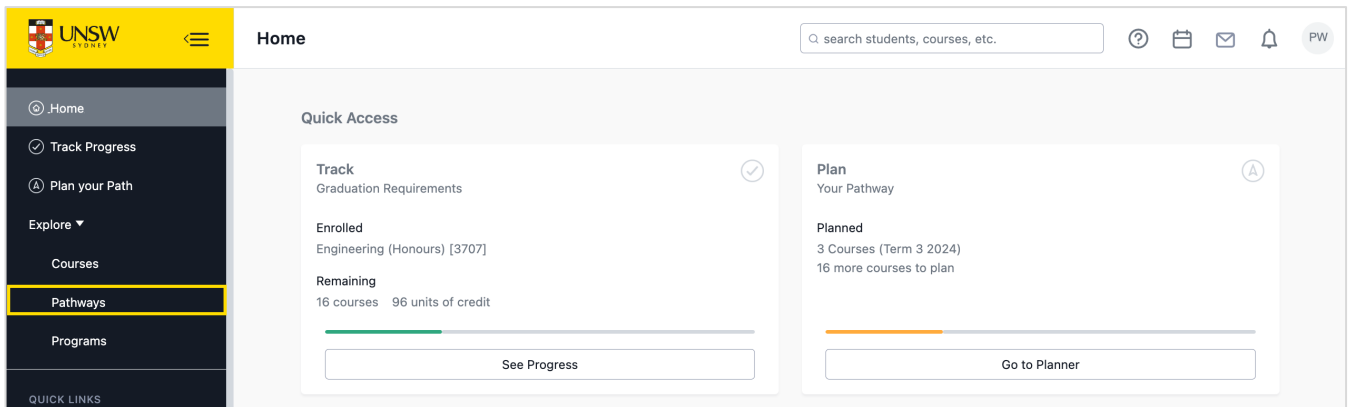

# Apply a pathway

A pathway is a recommended study plan for how to complete your program. It shows you the courses you need to take, term by term, to complete your program.

You can apply the pathway and follow as is for your entire study plan or make changes to meet your needs. Alternatively, you can opt to not apply a pathway and instead create your study plan from scratch.

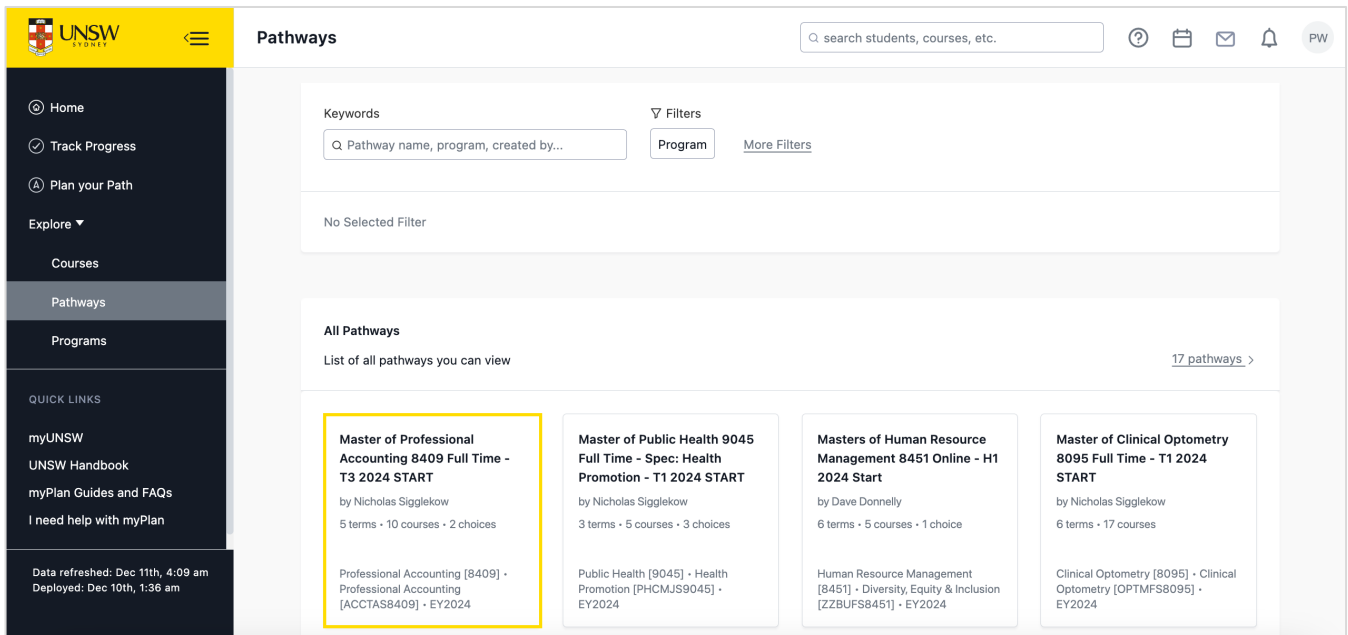

## Instructions:

1. Select **Pathways** in the side menu.

The screenshot shows the UNSW student portal Home page. The left-hand navigation menu is visible, with 'Pathways' highlighted in yellow. The main content area features a 'Quick Access' section with two cards: 'Track' (Graduation Requirements) and 'Plan' (Your Pathway). The 'Plan' card shows 3 courses for Term 3 2024 and 16 more courses to plan.

2. Select a **Pathway** to view the details.

The screenshot shows the UNSW student portal Pathways page. The left-hand navigation menu is visible, with 'Pathways' highlighted in yellow. The main content area features a search bar, filters, and a list of pathways. The 'Master of Professional Accounting 8409 Full Time - T3 2024 START' pathway is highlighted with a yellow border.

### 3. Select **Apply to your plan**.

The screenshot shows the UNSW Pathways interface. The main content area displays the 'Master of Professional Accounting 8409 Full Time - T3 2024 START' page. A yellow box highlights the 'Apply to your plan' button. Below the course description, there is a 'Year 1' summary showing '3 Courses' and '18 Units Of Credit'. Three progress cards for '2024', 'Term 1 2024', and '2024' are shown, each indicating '0 Units Of Credit Attempted' and '0 Units Of Credit Earned'. On the right, the 'Progress' tab is active, showing a list of programs. The first program is 'Professional Accounting [8409]' with 3 constraints and applied version EY2024. Below this, there are buttons for 'Core Courses' and 'Prescribed Electives'. At the bottom of the program list, it says '0 No unmatched courses'.

### 4. Choose the **Plan**.

The screenshot shows the 'Apply Pathway' dialog box. The 'Plan' dropdown is set to 'Primary Plan' and is highlighted with a yellow box. The dialog includes a 'Pathway should start at' dropdown set to '2024'. Below this is a table mapping 'Pathway' semesters to 'Student Plan' semesters:

Pathway	Student Plan
Year 1, Term 3	→ Term 3 2024
Year 2, Term 1	→ Term 1 2025
Year 2, Term 2	→ Term 2 2025
Year 2, Term 3	→ Term 3 2025

Below the table is a 'show more semesters' link. The 'Apply' section has three checked options: 'Planned courses, activities and requirements for each semester', 'Tentative List courses and activities', and 'Programs'. The 'Remove from your plan' section has two options: 'Future courses, activities and requirements' (unchecked) and 'Undeclared Programs' (checked). A blue 'Apply' button is at the bottom.

You can make the pathway your primary plan or you can create a new plan. If you choose to create a new plan, you will need to provide a new plan name.

5. Select where the **Pathway should start at**.

The pathway applies as your study plan for the entirety of your program. You can revise your study plan to meet your preferences.

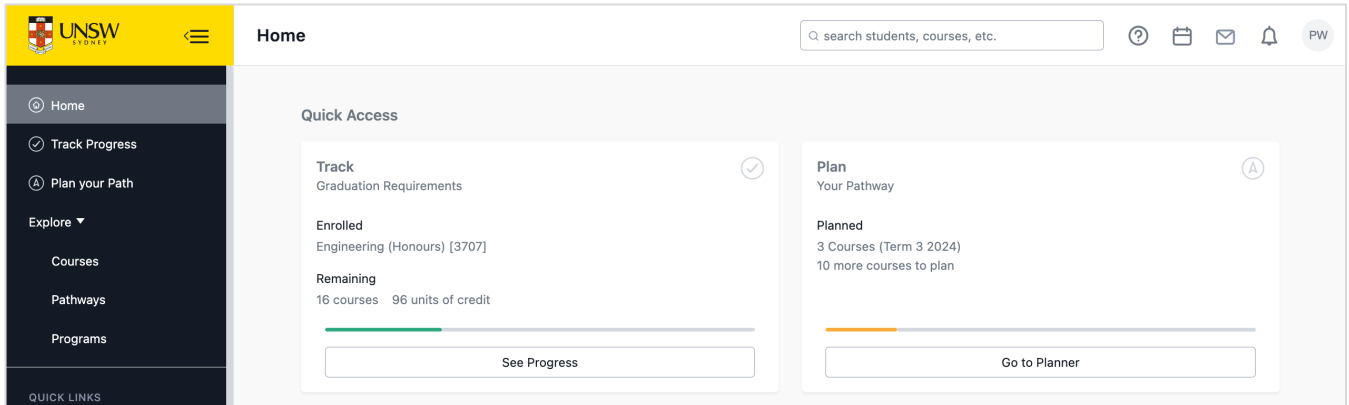

# Remove a pathway

You can remove a pathway from your study plan if you later change your mind.

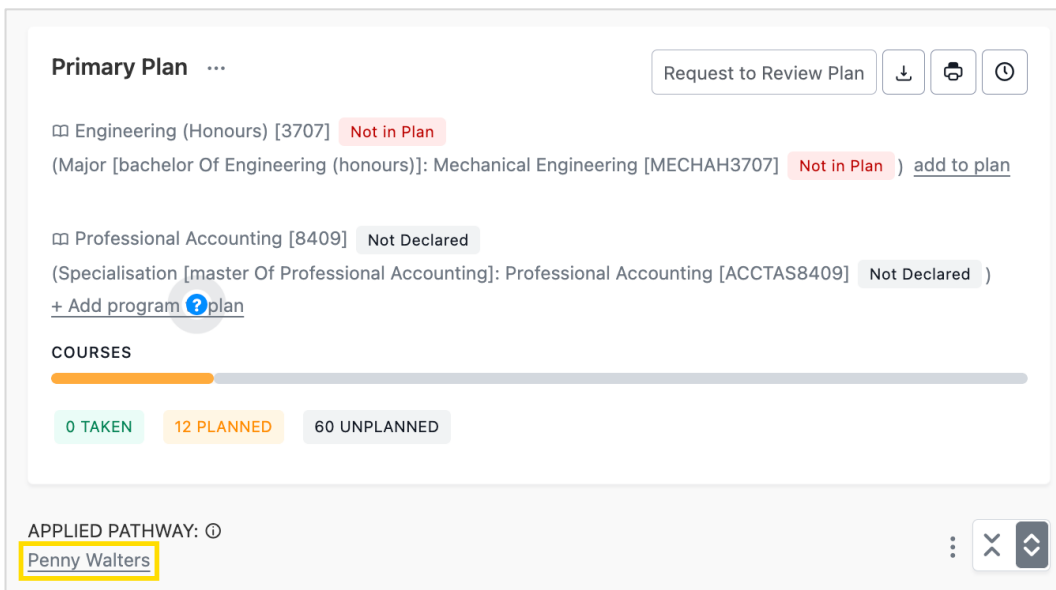

## Instructions:

1. Select **Plan your Path** in the side menu or **Go to Planner** to access the Planner.

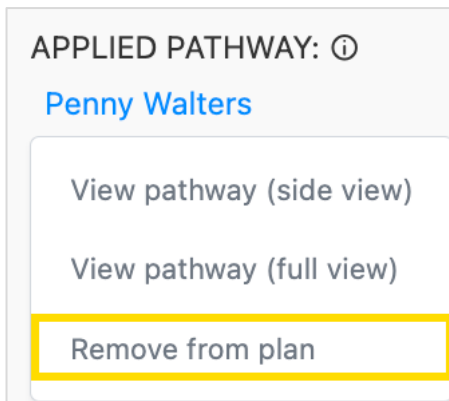

The screenshot shows the UNSW student dashboard. On the left is a dark sidebar menu with 'Plan your Path' selected. The main content area is titled 'Home' and features a search bar and notification icons. Under 'Quick Access', there are two cards: 'Track' (Graduation Requirements) and 'Plan' (Your Pathway). The 'Plan' card shows 'Planned' courses for Term 3 2024 and a 'Go to Planner' button.

2. Select the **Pathway** hyperlink to view options.

The screenshot shows the 'Primary Plan' view. It includes a 'Request to Review Plan' button and icons for download, print, and refresh. Two course options are listed: 'Engineering (Honours) [3707] Not in Plan' and 'Professional Accounting [8409] Not Declared'. A 'COURSES' progress bar shows 0 TAKEN, 12 PLANNED, and 60 UNPLANNED. At the bottom, the 'APPLIED PATHWAY' is identified as 'Penny Walters', which is highlighted with a yellow box.

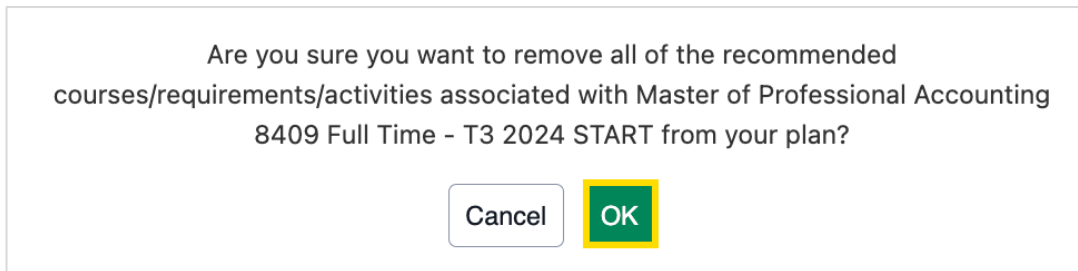

3. Select **Remove from plan** to remove the pathway from your study plan.

The other options are:

- **View pathway (side view)** keeps you in the planner and shows you the pathway and the courses side-by-side. This allows you to drag across select courses without applying the entire pathway.
- **View pathway (full view)** takes you to the pathway template.

4. Select **OK** to confirm the removal of the pathway from your record.

The student record refreshes and the pathway is no longer applied.
