# What are pathways?

A pathway is a recommended course progression plan designed by your program authority. Students in their first year can find recommended pathways to apply to the planning tool in myPlan. Once applied, a pathway will provide guidance on courses to enroll in your first year of study, including important academic notes and general course progression advice.

For most pathways the top section contains general notes relevant to your program such as required courses or course alternatives due to full classes.

## Pathways

Bachelor of Arts 3409 – Double Major - T1 2026 Start

*This is intended as a guide only and does not replace the program requirements as stipulated in the handbook. Courses do not need to be studied in the exact structure that they appear here. If you have further questions about your enrolment, please consult our MyPlan FAQ's or contact The Nucleus: Student Hub for more assistance. Please note that pathways will be updated to reflect future changes to the UNSW academic calendar.*

UOC = Units of Credit  
Please refer to the 2026 Handbook for more information <https://www.handbook.unsw.edu.au/undergraduate/programs/2026/3409>

This pathway is for students wishing to complete a double Major.

You must complete:

- 48 UOC Major courses
- 36 UOC Free electives
- 12 UOC General education courses
- 48 UOC second Major courses

[edit](#)

There are also other options available to you, which you can use the remaining 48 UOC and your Free Electives to complete: Major & Minor, Double Major & Minor and Major & Double Minor. You may also complete a triple Major using a third major from outside the ADA Faculty, and student who choose this option are not required to take General Education courses.

Major courses, Free Electives, and General Education courses are not offered every term - please plan accordingly. These courses can be taken in any term which has capacity and not necessarily in the term specified in the sample pathway.

① Sydney [change](#)  
② Arts [3409] [EY2026](#) [change](#)

Year 1 ▾ 8 Courses 48 Units Of Credit

+ Hexamester 1

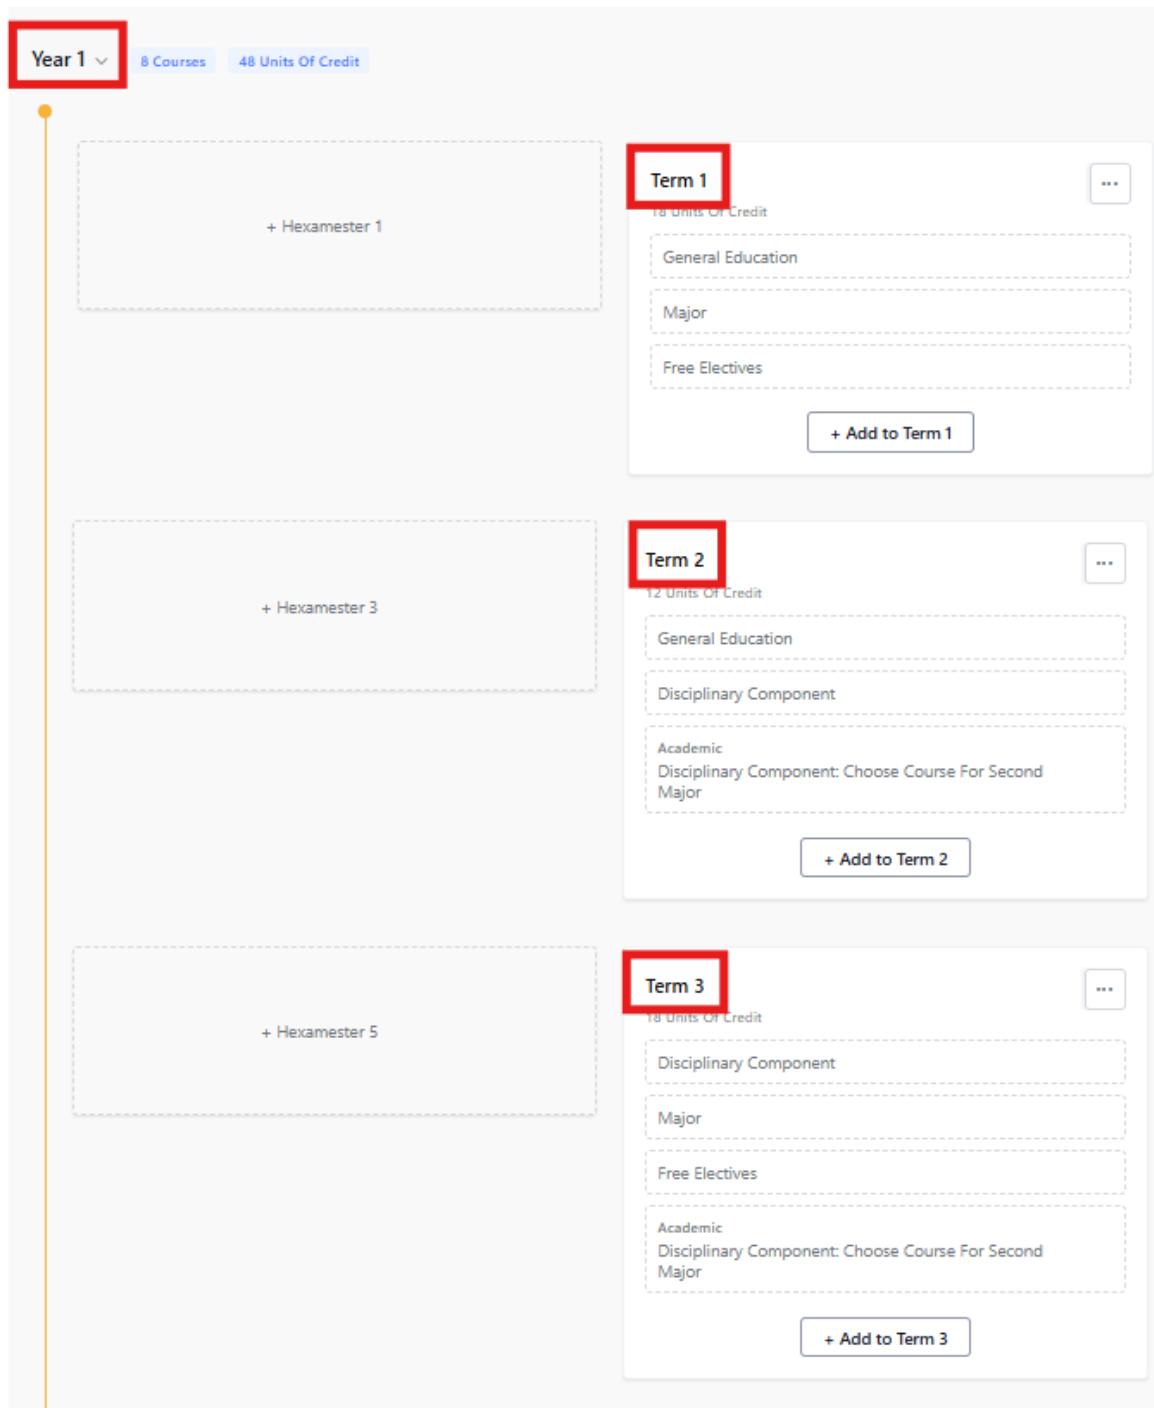

+ Hexamester 3

**Term 1**

[+ Add to Term 1](#)

**Term 2**  
12 Units Of Credit  
General Education  
Disciplinary Component

The pathway is categorized into years and terms with recommended courses or course choices.

If a student applies a pathway to their planner, they are still required to log into MyUNSW to complete official enrolment. MyUNSW can import choices from the planning tool, to help students complete their enrolment. For guides to import courses from myPlan in MyUNSW please see the following [link](#).

**Students must enrol in courses via myUNSW and declare any specialisation in myUNSW. Selections in myPlan WILL NOT appear on your official record.**

# How to choose a pathway

Every program has a pathway that can be added in myPlan to help with your progression planning. By using the quick add function (page 5) in myPlan you will only see the pathways available to you in your program for your entry year. Students choose their pathway based on the term they are starting.

For example, if you are starting in term 1 choose the pathway with T1 in the title.

**e.g. Bachelor of Laws, 3375, T1 2026 START**

If you find that your list of possible programs has multiple choices that include specialization options

e.g.

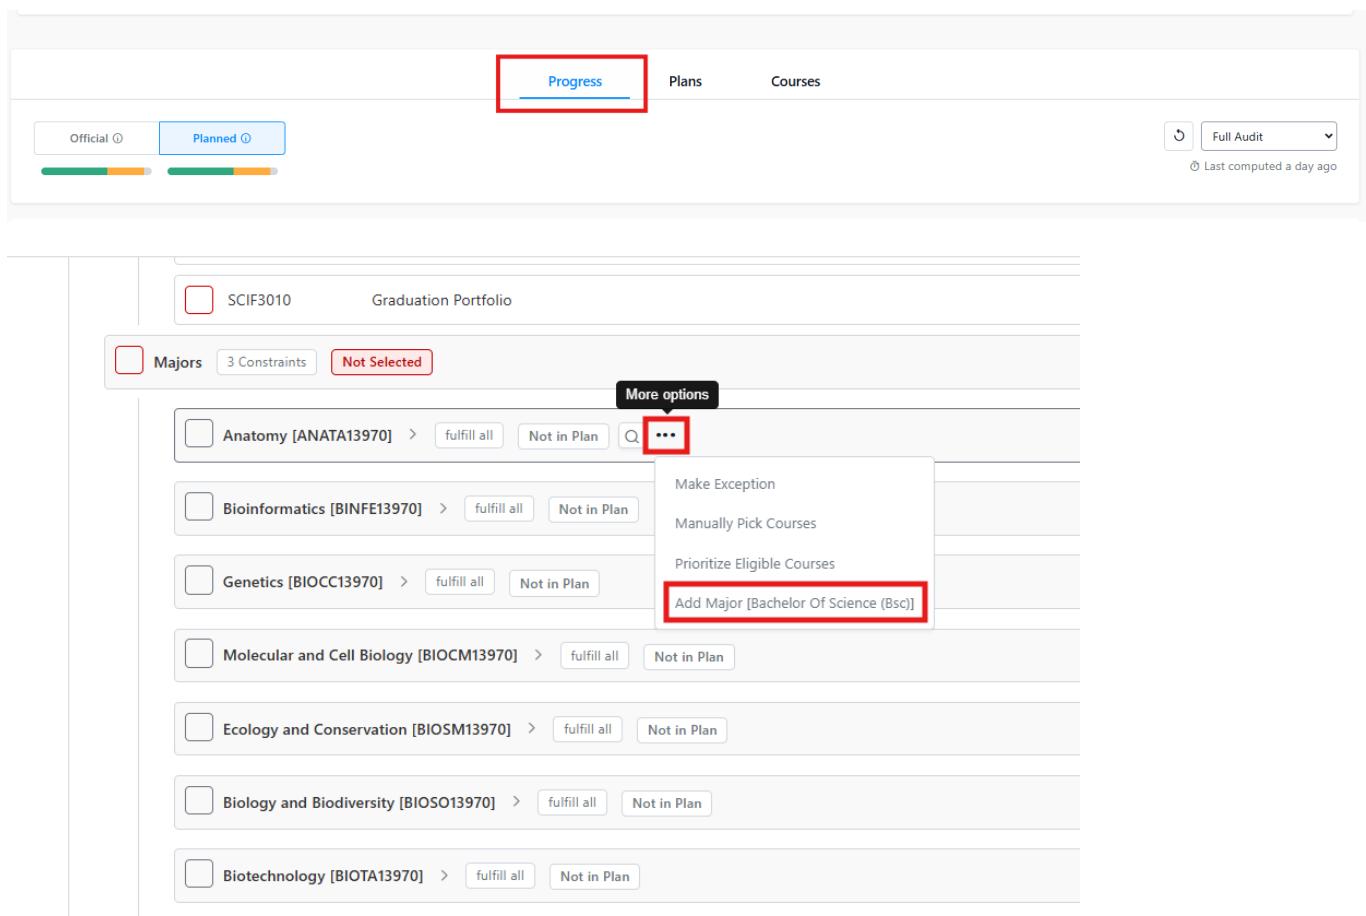

**Bachelor of Laws, CRIMC1, 3375, T1 2026 START**

or

**Bachelor of Laws, SOSSB1, 3375, T1 2026 START**

It means you need to determine your specialization choice before applying your pathway. Refer to your program entry in the [handbook](#) for rules on specialization choices. Remember you can “try on” a pathway and specialization in myPlan and remove those choices at any time.

To plan a specialization simply navigate to your progress tab and add in the specialization choice. You can always remove later if you want to “try” different combinations. **Once you have made your final decision make sure you formally declare your specialization in myUNSW.**

The screenshot shows the myPlan interface. At the top, there is a navigation bar with tabs: 'Progress' (highlighted with a red box), 'Plans', and 'Courses'. Below the navigation bar, there are two progress bars: 'Official' and 'Planned'. The 'Planned' bar is highlighted with a red box. On the right side of the top bar, there is a 'Full Audit' button and a note that says 'Last computed a day ago'.

Below the top bar, there is a section for 'SCIF3010 Graduation Portfolio'. Under this section, there is a 'Majors' list. The 'Majors' button is highlighted with a red box. Next to it are '3 Constraints' and 'Not Selected'. Below this, there is a 'More options' button with a red box around it. A dropdown menu is open, showing options: 'Make Exception', 'Manually Pick Courses', 'Prioritize Eligible Courses', and 'Add Major [Bachelor Of Science (Bsc)]'. The 'Add Major' button is also highlighted with a red box.

The 'Majors' list contains the following items:

- Anatomy [ANATA13970] > fulfill all Not in Plan
- Bioinformatics [BINFE13970] > fulfill all Not in Plan
- Genetics [BIOCC13970] > fulfill all Not in Plan
- Molecular and Cell Biology [BIOCM13970] > fulfill all Not in Plan
- Ecology and Conservation [BIOSM13970] > fulfill all Not in Plan
- Biology and Biodiversity [BIOSO13970] > fulfill all Not in Plan
- Biotechnology [BIOTA13970] > fulfill all Not in Plan

There are two ways to choose a pathway:

## 1. Recommended Pathways – myPlan Homepage

After signing into myPlan, relevant pathways appear on the homepage. Select these pathways to see guidance information and to apply to the planner. Make sure to select the relevant starting term for your program. For assistance on multiple pathway options and how to choose the correct option for your program go to page 4.

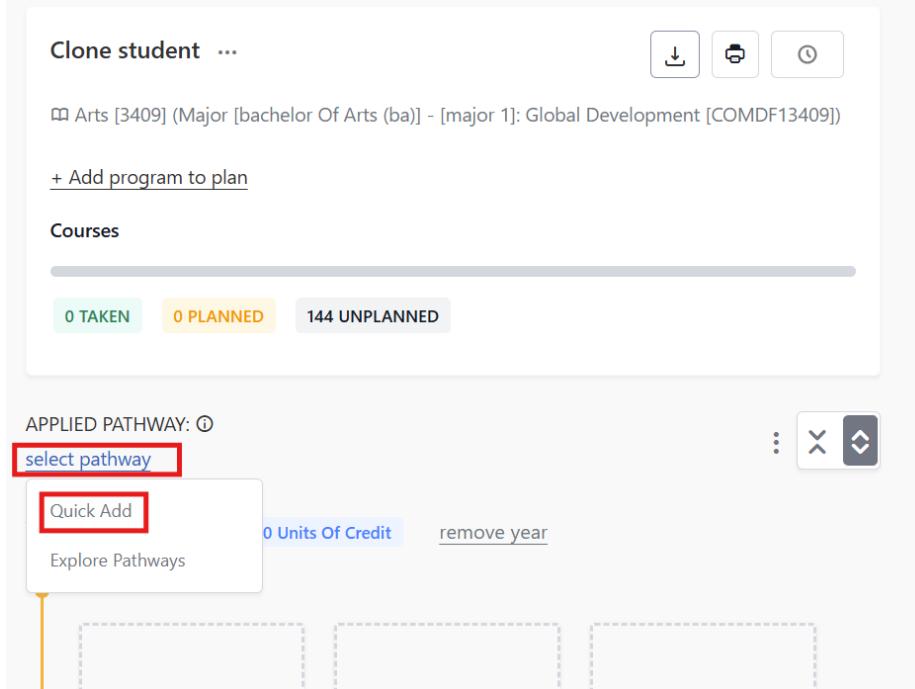

The screenshot shows the myPlan homepage. At the top left is a 'Quick Access' section with 'Track' (checked), 'Graduation Requirements', 'Enrolled Arts [3409]', and 'Remaining 24 courses 144 units of credit'. At the top right is a 'Plan' section with 'Your Pathway' (checked), 'Planned 0 Courses (Term 3 2025)', and '24 more courses to plan'. Below these are 'See Progress' and 'Go to Planner' buttons. In the center is a 'Coming Up' box for 'Term 3 2025' showing '0 courses', '0 units of credit', and '0 activities'. It lists 'Dec 18 T3 Release of Results' and 'Jan 05 T3 Release of Results (T3C)'. To the right is an 'Explore' section with a 'Pathways' heading. A red circle highlights the 'Relevant to you' section, which lists four pathways: 'Bachelor of Arts 3409 – Double Major & Minor - T2 START 2025' (by Gerald Jones, Arts [3409]), 'Bachelor of Arts 3409 – Major and Double Minor - T2 START 2025' (by Gerald Jones, Arts [3409]), 'Bachelor of Arts 3409 – Major and Double Minor - T1 START 2025' (by Gerald Jones, Arts [3409]), and 'Bachelor of Arts 3409 – Major and Minor - T2 START 2025' (by Gerald Jones, Arts [3409]). A 'view all' link is also present.

## 2. Using the Quick Add function in the Planning Tool

Select “Go to Planner” on the home page.

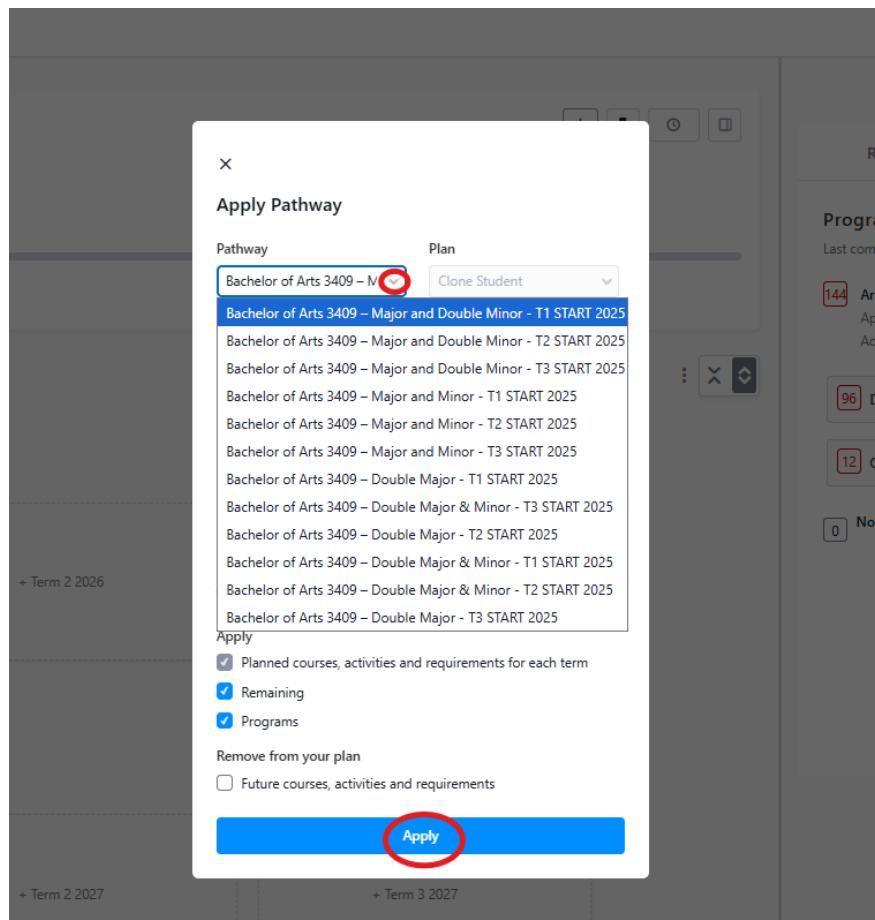

The screenshot shows the myPlan homepage with the 'Track' and 'Plan' sections. The 'Plan' section has 'Your Pathway' (checked) and 'Planned 0 Courses (Term 3 2025)', with '6 more courses to plan'. Below these are 'See Progress' and 'Go to Planner' buttons. The 'Go to Planner' button is highlighted with a red box. The rest of the page is identical to the first screenshot, including the 'Coming Up' box and the 'Explore' section with pathways.

Next click select pathway - the quick add button shows all pathways options available for your program entry year

The screenshot shows a student planning interface. At the top, there is a 'Clone student ...' button and three icons: a download arrow, a clipboard, and a refresh circle. Below this, a message says 'Arts [3409] (Major [bachelor Of Arts (ba)] - [major 1]: Global Development [COMDF13409])'. A link '+ Add program to plan' is visible. The 'Courses' section shows a progress bar with '0 TAKEN' (green), '0 PLANNED' (orange), and '144 UNPLANNED' (grey). Below the progress bar, a dropdown menu is open under 'APPLIED PATHWAY: ⓘ'. The menu has a red border around the 'select pathway' option. Other options include 'Quick Add' (also with a red border) and 'Explore Pathways'. The 'Quick Add' option is highlighted with a blue background. To the right of the dropdown are three small icons: a three-dot menu, a close 'X', and a double-headed arrow. The main planning area shows a grid of empty boxes representing courses.

To see a list of your pathway options select the drop-down pathways menu.

The screenshot shows a 'Apply Pathway' dialog box. At the top, there is a close 'X' button. The title is 'Apply Pathway'. Below the title, there are two columns: 'Pathway' and 'Plan'. A dropdown menu in the 'Plan' column is open, showing a list of pathway options. The first option, 'Bachelor of Arts 3409 - Major and Double Minor - T1 START 2025', is highlighted with a red border. Below the dropdown, there is an 'Apply' button. Under the 'Pathway' column, there is a list of pathway options. At the bottom of the dialog box, there are three checkboxes under the heading 'Apply': 'Planned courses, activities and requirements for each term' (checked), 'Remaining' (checked), and 'Programs' (checked). There is also a checkbox 'Future courses, activities and requirements' under 'Remove from your plan'. The 'Apply' button is highlighted with a red circle.

Press "Apply" after selecting your pathway option.

# For Multiple Pathway Options

Many programs have at least one recommended pathway, however, where multiple options are offered make sure you choose the pathway that applies to your correct start term. All pathways have been named:

Program name, program number, **Start Term**, Year

T1 – Term 1

T2 – Term 2

T3 – Term 3

For programs with multiple major or minor specialisations there may be multiple plans to choose from. Students can choose and remove pathways to try different options to help decide specialization choice. It is always recommended to consult the handbook to see rules on specialisation choices. To remove a plan if it doesn't suit desired progression – see instructions for removing a pathway on page 8.

## Download a pathway

Students can download recommended pathway plans into PDF format. Select the three dots button in the pathway view to see the download pathway option.

Plan your Path

Bachelor of Arts 3409 – Double Major & Minor - T2 START 2025

# Remove a pathway

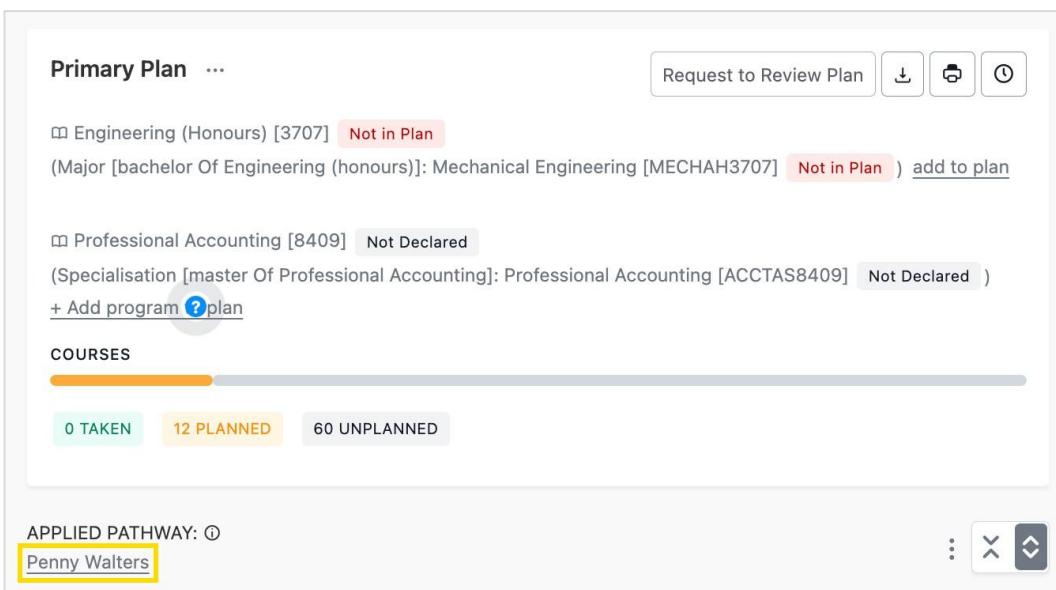

You can remove a pathway from your study plan if you later change your mind.

1. Select **Plan your Path** in the side menu or **Go to Planner** to access the Planner.

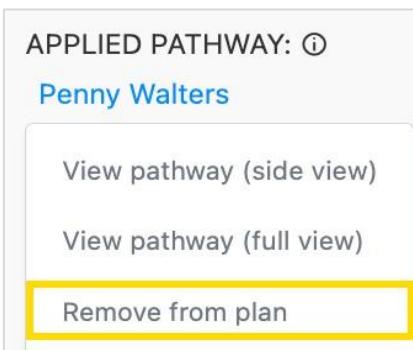

The screenshot shows the UNSW Home page. The left sidebar has a dark background with white text. The 'Plan your Path' option is highlighted with a checkmark. The main content area is titled 'Home' and includes a 'Quick Access' section with 'Track' and 'Plan' options. The 'Track' section shows 'Graduation Requirements' with a checkmark. The 'Plan' section shows 'Your Pathway' with a checkmark. Below these are 'Enrolled' and 'Remaining' course details. At the bottom of the main content are 'See Progress' and 'Go to Planner' buttons.

2. Select the **Pathway** hyperlink to view options.

The screenshot shows the 'Primary Plan' section. It displays a pathway for 'Penny Walters'. The pathway includes 'Engineering (Honours) [3707]' (Not in Plan), 'Mechanical Engineering [MECHAH3707]' (Not in Plan), and 'Professional Accounting [8409]' (Not Declared). It also shows a specialisation in 'Professional Accounting' (Not Declared). Below this, there are buttons for 'Request to Review Plan', download, print, and refresh. The 'COURSES' section shows a progress bar and counts: 0 TAKEN, 12 PLANNED, and 60 UNPLANNED. At the bottom, there is an 'APPLIED PATHWAY: Penny Walters' section with a 'Remove from plan' button.

3. Select **Remove from plan** to remove the pathway from your study plan.

The screenshot shows the 'APPLIED PATHWAY' options for 'Penny Walters'. It includes links for 'View pathway (side view)', 'View pathway (full view)', and a highlighted 'Remove from plan' button.

The other options are:

- **View pathway (side view)** keeps you in the planner and shows you the pathway and the courses side-by-side. This allows you to drag across select courses without applying the entire pathway.
- **View pathway (full view)** takes you to the pathway template.

Select **OK** to confirm the removal of the pathway from your record.

Are you sure you want to remove all of the recommended courses/requirements/activities associated with Master of Professional Accounting 8409 Full Time - T3 2024 START from your plan?

**Cancel** **OK**

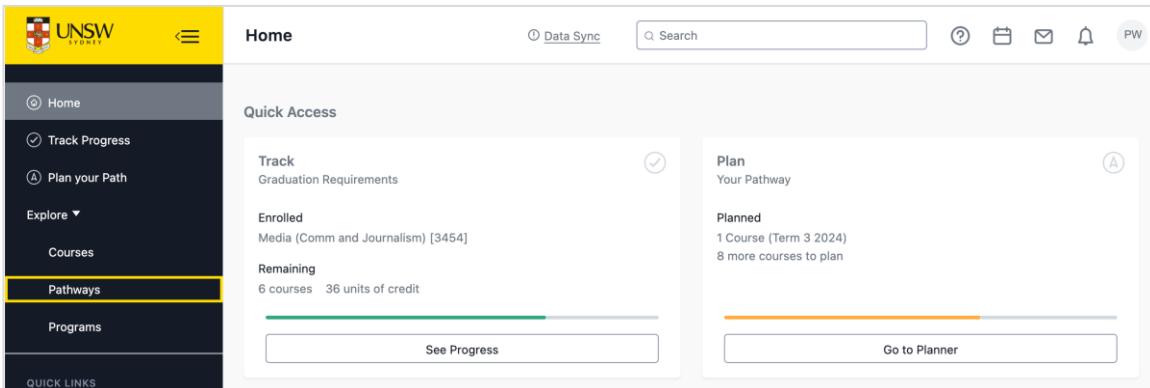

The student record refreshes and the pathway is no longer applied.

# Browse pathways

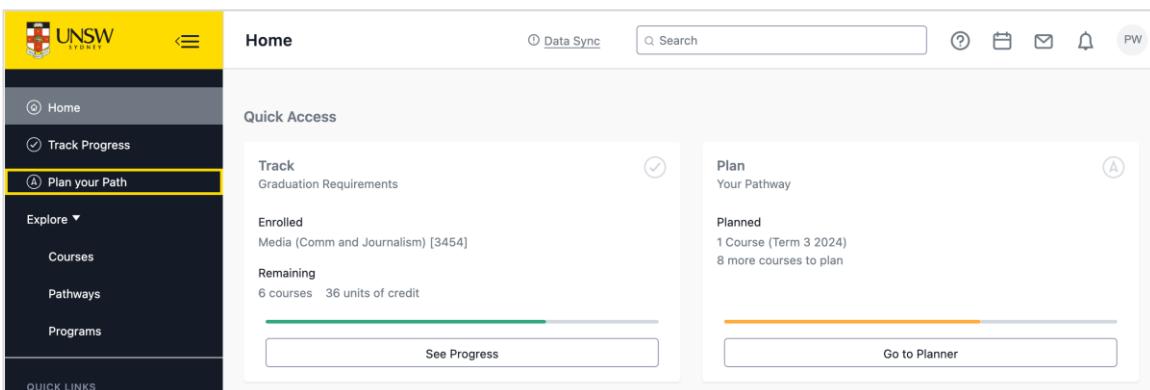

You can create your own study plan from scratch or browse pathways and apply to your study plan. There are 3 ways to access pathways. These are:

## 1. Via **Explore > Pathways** in the side menu

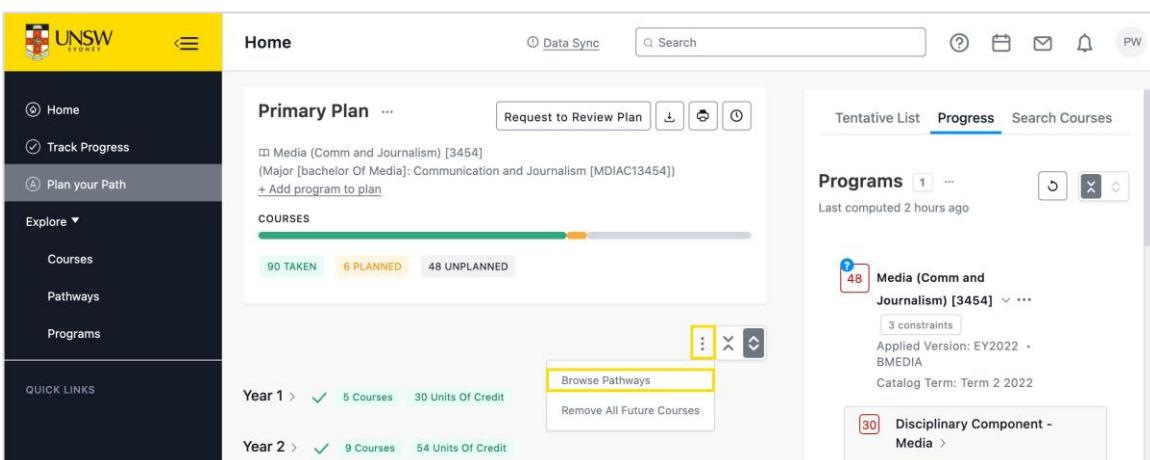

The screenshot shows the UNSW study plan interface. The left sidebar has a dark background with white text. The 'Pathways' option is highlighted with a yellow box. The main content area is titled 'Home' and shows 'Quick Access' sections for 'Track' (Graduation Requirements) and 'Plan' (Your Pathway). The 'Plan' section shows 'Planned' courses (1 Course (Term 3 2024)) and 'Remaining' courses (6 courses, 36 units of credit). Buttons for 'See Progress' and 'Go to Planner' are at the bottom of each section.

## 2. Via **Plan your Path** in the side menu > ellipsis icon in the planner > **Browse Pathways**

The screenshot shows the UNSW study plan interface. The left sidebar has a dark background with white text. The 'Plan your Path' option is highlighted with a yellow box. The main content area is titled 'Home' and shows 'Quick Access' sections for 'Track' (Graduation Requirements) and 'Plan' (Your Pathway). The 'Plan' section shows 'Planned' courses (1 Course (Term 3 2024)) and 'Remaining' courses (6 courses, 36 units of credit). Buttons for 'See Progress' and 'Go to Planner' are at the bottom of each section.

The screenshot shows the UNSW study plan interface. The left sidebar has a dark background with white text. The 'Primary Plan' section is visible, showing a 'Request to Review Plan' button and a 'COURSES' progress bar. Below the bar, buttons for '90 TAKEN', '6 PLANNED', and '48 UNPLANNED' are shown. A 'Browse Pathways' button is highlighted with a yellow box. The right side of the screen shows a 'Tentative List' with a 'Progress' tab selected, showing a 'Programs' section for 'Media (Comm and Journalism) [3454]' with 48 courses. A 'Disciplinary Component - Media' section is also visible.

3. Via **Go to Planner** in Quick Access links > **ellipsis icon** in the planner > **Browse Pathways**

**Top Screenshot (Quick Access):**

- Left Sidebar:** Home, Track Progress, Plan your Path, Explore (Courses, Pathways, Programs), QUICK LINKS.
- Header:** Home, Data Sync, Search, Help, Calendar, Email, Bell, PW.
- Quick Access:**
  - Track:** Graduation Requirements
  - Enrolled:** Media (Comm and Journalism) [3454]
  - Remaining:** 6 courses 36 units of credit
  - See Progress** button
  - Plan:** Your Pathway
  - Planned:** 1 Course (Term 3 2024)  
8 more courses to plan
  - Go to Planner** button

**Bottom Screenshot (Primary Plan):**

- Left Sidebar:** Home, Track Progress, Plan your Path, Explore (Courses, Pathways, Programs), QUICK LINKS.
- Header:** Home, Data Sync, Search, Help, Calendar, Email, Bell, PW.
- Primary Plan:**
  - Request to Review Plan** button
  - Courses:** COURSES progress bar (90 TAKEN, 6 PLANNED, 48 UNPLANNED)
  - Year 1:** 5 Courses, 30 Units Of Credit
  - Year 2:** 9 Courses, 54 Units Of Credit
  - Browse Pathways** button
  - Remove All Future Courses** button
- Programs:** Last computed 2 hours ago
  - Media (Comm and Journalism) [3454]** (Major [bachelor Of Media]: Communication and Journalism [MDIAC13454])
  - 3 constraints
  - Applied Version: EY2022
  - BMEDIA
  - Catalog Term: Term 2 2022
  - Disciplinary Component - Media**

The **pathways** display for you to explore. Pathways include those specific to your program plus all other pathways available at UNSW.
