

Recognition of Prior Learning: Geotechnical Engineering & Engineering Geology

If you have been granted Units of Credits in CVENRT8338 – Geotechnical Engineering & Engineering Geology program, they will look like the following on your Academic Statement:

Please check your UNSW offer letter to see if you have been prescribed any core course completions. Any courses listed will need to be completed in order to graduate and will count towards DKC.

Listed credits on Academic Statement	Remaining courses to complete in the program
<u>24 UOC</u> <ul style="list-style-type: none"> CVEN9451 – 4 UOC Research CVEN9452 – 4 UOC Research CVEN9453 – 4 UOC Research GSOE9010 – 6 UOC Research GSOE8406 – 6 UOC ETM 	<u>72 UOC</u> <ul style="list-style-type: none"> 24-48 UOC ADKC 12-24 UOC ADKE 0-18 UOC ETM 0-36 UOC DKC
