General

- (h) Subject to subclause 10.0(i), while the dispute resolution procedures referred to at subclauses 10(d) and 10(e) are being conducted, the University will not change work, duties, staffing or organisation of work which is the subject of the dispute.

- (b) Adult apprentice means an apprentice employee who is over 21 years of age.

11.4 Set-Off of Outstanding Payments

Where an employee resigns or retires, or their employment is terminated, the University will, to the extent permissible by law, set off against and deduct from any amounts payable to the employee by way of salary, allowance, annual leave or long service leave, any amount owed by the employee to the University arising from the employee's employment.

12.0 ALLOWANCES

The salary rates contained in Schedule 1 and Schedule 2 include all prescribed allowances, other than those specified in Schedule 4 and Schedule 11 of this Agreement and in subclauses 12.1 and 12.2 below.

12.1 Higher Duties Allowance

- (a) An employee who is appointed to perform temporarily all of the duties of a higher classified position and who performs all such duties required to be performed during the appointment will be paid an allowance equal to the difference between their substantive salary and the minimum salary of the higher classified position for all the time during which the employee performs such duties. Where it is specified at the commencement of the higher duties allowance that the

employee is to undertake part of the duties of the higher position only, a lesser amount, which will normally be a percentage of the full amount, will be paid.

- (b) No allowance will be payable pursuant to subclause 12.1(a) unless the employee performs the duties of the higher classified position for a period in excess of one week or in excess of two consecutive working days for trades staff.
- (c) No allowance will be payable pursuant to subclause 12.1(a) to an employee whose position is designated as a “deputy” or equivalent of a more senior employee, whose normal duties as specified by their job description include deputising for that more senior employee and who is deputising while the senior employee is absent on duty or for periods of leave for up to four weeks.
- (d) An employee who has been in receipt of a higher duties allowance for more than one month will be paid such allowance for all paid leave taken during that period.
- (e) An employee who has been relieving continuously in a position for a period in excess of 12 months who retires, resigns or is retrenched by the University will receive payment for accrued leave entitlements at the higher rate of pay on termination of employment.
- (f) Where an employee in receipt of a higher duties allowance works on a public holiday, the relevant shift loading or overtime rate will be applied to the higher duties allowance for time worked on that day.

12.2 Audio Visual Technician/Theatre Technician/Technicians

Nothing in this Agreement prevents the University and an employee employed in the category referred to in Category M of Schedule 5.0 of this Agreement agreeing to the payment of an annualised allowance in lieu of the allowance described in Schedule 4.0 – Allowances - of this Agreement, provided that the annualised allowance is not less than the value of the allowance over the course of the year.

13.0 SUPERANNUATION

- (a) Where a current employee is an existing member of a Commonwealth or State superannuation scheme or the Special Purposes Superannuation Scheme, the University will make employer superannuation contributions in accordance with the relevant scheme.
- (b) Subject to subclause 13.0(c) and (d) of this Agreement, in all other cases, the University will make the following employer superannuation contributions to *UniSuper*:
 - (i) 17% of ordinary time earnings if the employee is:
 - (a) a continuing employee; or
 - (b) a continuing (contingent funded research) employee; or
 - (c) employed on a fixed-term contract of two years or more; or
 - (d) employed on successive fixed term contracts for two years or more where the position in which the employee is employed is funded through an operating grant from government or funding comprised of payment of fees made by or on behalf of students. Such contributions will be payable from the start date of any new contract which commences after the employee has completed two years or more on successive fixed term contracts.
 - (ii) if the employee is employed on a fixed-term contract not covered by subclause 13.0(b)(i) or as a casual employee, the University will make employer superannuation contributions in accordance with the *Superannuation Guarantee (Administration) Act 1992* (as amended).
- (c) From the first full pay period in January 2021, subject to subclause 13.0(a) and 13.0(d) of this Agreement, the University will make employer superannuation contributions of 17% of ordinary time earnings to all continuing and fixed term employees.

- (d) Provided that where the University's Trust Deed with *UniSuper* so allows, an employee who is eligible to be a member of *UniSuper* and who is eligible to receive the employer superannuation contribution specified in subclause 13.0(b)(i) may access any superannuation flexibility so allowed by the University's Trust Deed with *UniSuper*, provided that the total amount of the employee's salary and other payments and employer superannuation contributions is not diminished.

14.0 SALARY SACRIFICING SCHEME

- (a) By written agreement with the University, an employee may elect to receive a non-monetary benefit in lieu of salary, provided that the total value of the non-monetary benefit and salary is no less than the salary entitlement the employee would otherwise receive.
- (b) An employee may withdraw from the salary sacrificing arrangement by providing the University with written notice of at least eight weeks.
- (c) If an agreement is made under subclause 14.0(a), then any other payment calculated by reference to the employee's salary and payable during employment, or on termination of employment, will be calculated by reference to the substantive salary, i.e., the amount including the value of the non-monetary benefit.

15.0 EQUALISATION OF SALARY

- (a) Equalisation of salary is a flexible payment of salary arrangement, available in particular but not exclusively, to those employees working on a sessional basis, which allows the total annual hours of employment for such employees to be equalised and paid over a calendar year.
- (b) By written agreement with the University, an employee may equalise their salary so that the annual earnings are paid in equal portions over the whole year, rather than only those weeks where work is performed.
- (c) Where the above arrangement is entered into, the employee will be entitled to all benefits to which the employee would otherwise have been entitled on the same proportion as in subclause 15.0(b) above.

PART C - EMPLOYMENT ARRANGEMENTS

16.0 GENERAL

- (a) The University will employ an employee on terms that correspond with one or other of the types of employment prescribed in clauses 17.0 to 20.0 of this Agreement.
- (b) It is recognised that while continuing employment is the primary type of employment on which employees are employed by the University under this Agreement, the engagement of persons on fixed term employment is necessary to support the University to carry out its work for a specified task or period.
- (c) To avoid doubt, nothing in this clause prevents an employee engaging in additional work as a casual employee in work unrelated to, or identifiably separate from, the employee's normal duties, provided that there is no conflict of interest with any such additional work and the employee's work with the University is not adversely affected.
- (d) An employee employed on a continuing or a fixed-term basis may be employed in either a full time or a part-time capacity.
- (e) All entitlements of an employee employed on a part-time basis in this Agreement will be paid on a pro-rata basis calculated by reference to the time worked as a proportion of the time worked by a full-time employee in the same classification.

17.0 CONTINUING EMPLOYMENT

Continuing employment means full-time or part-time employment which has no fixed end date or contingency upon which the employment contract will come to an end. All employment, other than fixed-term employment and casual employment, is continuing employment.

18.0 CONTINUING (CONTINGENT FUNDED RESEARCH) EMPLOYMENT

18.1 Definitions

“Contingent funded research” is research funded by limited term funding provided from external sources, but not funded through an operating grant from Government or funding comprised of payment of fees made by or on behalf of students.

18.2 Eligibility

- (a) An employee engaged in contingent funded research may apply for, or be offered, a Continuing (Contingent Funded Research) Employment Contract (**CCFRC**) where the employee:
 - (i) is 0.2 FTE or more;
 - (ii) has been employed for a period of 5 years or more, and who is to be appointed to their second or subsequent consecutive contract; and
 - (iii) was employed through a competitive and open selection process.
- (b) The University may, in its absolute discretion, offer a CCFRC notwithstanding not all of the above criteria are satisfied.
- (c) Applications must be made in writing to the University, which will advise the employee in writing of the outcome within 30 days of receiving the application. The University may refuse an application on reasonable grounds. Reasonable grounds include:
 - (i) the criteria in clause 18.2 are not satisfied;
 - (ii) that there is a reasonable basis to believe that there will not be sufficient revenue or funding available to provide continuing support for the employee's employment beyond a further 3 year period;
 - (iii) the employee's performance has not been assessed as being at least satisfactory;
 - (iv) the employee is performing work which is predominantly related to discontinued, or discontinuing programs or a disciplinary area that is not being actively pursued by the University; or
 - (v) the employee does not have sufficiently transferable skills that would reasonably enable the University to redeploy the employee to another position within the University upon expiration of the existing research grant; or
 - (vi) the employee is a student, and their status as a student was the primary reason for their appointment.

18.3 Conditions

- (a) Subject to subclause 18.3(b), an employee on a CCFRC will receive the same entitlements as other continuing employees, including superannuation.
- (b) The following provisions do not apply to an employee on a CCFRC:
 - (i) where funding for the continuation of a CCFRC position ceases, the consultation and redundancy provisions of clause 29.0 – Managing Change in the Workplace - in respect of the position in which the employee is employed; and
 - (ii) Subclauses 19.2 to 19.4 – Fixed Term Employment.

18.4 Measures to Avoid Termination

Where the funding that supports an employee's CCFRC ceases:

- (a) the University may transfer the employee to another equivalent position;
- (b) at the discretion of the relevant senior manager, a CCFRC employee may be employed using other available funding, where:
 - (i) the use of such funding is for a limited period; and
 - (ii) the Faculty or Division has a reasonable expectation that alternative research funding or a continuing appointment will become available.
- (c) if, during the notice period specified in subclause 18.5, the funding for the position is renewed, the notice period ceases to apply and employment continues;
- (d) if an application for renewal of the funding for the position is still pending, then by mutual agreement:
 - (i) the period of employment may continue for any period of:
 - paid accrued annual leave and/or long service leave; and thereafter
 - unpaid leave, provided that unpaid leave will not be available under this subclause to bring the aggregate period of leave above 12 weeks; or
 - (ii) if the employment has ceased, payment of severance and/or payment in lieu of notice may be delayed for up to 12 weeks to facilitate continuation of service and if the funding for the position is renewed, the employee's employment will recommence and there will be no entitlement to severance pay or payment in lieu of notice and the period from cessation of employment to recommencement of employment will not break continuity of service, but will not count as service.

18.5 Termination of CCFRC

- (a) A CCFRC may be terminated when:
 - (i) the funding that supports the position ceases or is insufficient; or
 - (ii) the inherent nature of the work required has changed significantly and the skills and experience of the employee will not enable them to complete the requirements of the position; or
 - (iii) termination is made under the following clauses of this Agreement: probation (clause 31.0) or disciplinary provisions (clauses 34.0 and 35.0).
- (b) If an employee's employment is terminated under subclause 18.5(a), and alternatives to termination under subclause 18.4 are not possible, then the employee will be provided with notice and receive a severance payment under subclause 18.6 below.

18.6 Notice Periods and Severance

- (a) Where an employee is terminated pursuant to subclause 18.5(a), the employee will be provided with a minimum of 4 weeks' notice of termination, or 5 weeks if the employee is over 45 years of age, which the University may pay out in lieu of notice.
- (b) Subject to subclause 18.6(d), where the employment of an employee on a CCFRC is terminated pursuant to subclause 18.5(a), the employee will be paid a severance payment in accordance with the following table:

Length of Continuous Service	Severance payment
1 year but less than 2 years	4 weeks pay
2 years but less than 3 years	6 weeks pay
3 years but less than 4 years	7 weeks pay

Length of Continuous Service	Severance payment
4 years but less than 5 years	8 weeks pay
5 years but less than 6 years	10 weeks pay

10 years but less than 12 years	20 weeks pay
12 years but less than 15 years	24 weeks pay
15 years or more	30 weeks pay

- (c) Fixed-term employment in the same School or Research Centre prior to commencement as a CCFRC will be included for the purposes of calculating the length of continuous service under clause 18.6(b) above. Subject to applicable laws, other fixed-term employment or continuing or casual employment will not be counted for this purpose.
- (d) Severance pay will not be payable where:
- (i) the employee has resigned or declined a reasonable offer for further employment; or

- (a) The University will provide an employee on fixed-term employment with written notice, including by email, of at least four weeks of its intention to renew, or not to renew, employment with the University upon the expiry of the contract, subject to subclauses 19.2(b) and 19.2(c) below.

- (c) Where, because of circumstances relating to the provision of specific funding to support employment, external to the University and beyond its control, the University is not reasonably able to give the notice required by subclause 19.2(a), it will be sufficient compliance with this clause if the University:
 - (i) advises those circumstances to the employee in writing at the latest time at which the notice would otherwise be required to be given, and
 - (ii) gives notice to the employee at the earliest practicable date thereafter.

19.3 Severance Pay - No Entitlement

Severance pay is not payable to an employee by the University where:

- (i) the employee was employed on a first fixed-term employment contract and the position is of a type described in subclause 19.4.1, unless the same or substantially similar position continues to be required but another person has been appointed, or is to be appointed, to that position; or

19.6 Other Matters

- (a) An employee, who is entitled to a severance payment pursuant to subclause 19.4.2 and who has been employed between five and 10 years of continuous service with the University, is entitled to payment of long service leave, on a pro rata basis, in accordance with clause 38.0 – Long Service Leave - of this Agreement.
- (b) Breaks between fixed-term appointments of up to two times per year and of up to six weeks per break will not constitute breaks in continuous service.

- (c) Periods of continuing employment prior to commencing a fixed-term appointment, casual employment, or approved unpaid leave, do not count for service for the purposes of subclauses 19.4 and 19.5, and will not constitute breaks in service.
- (d) Where the University advises an employee in writing that further employment may be offered within six weeks of the expiry of a period of fixed-term employment, the University may defer payment of severance benefits for a maximum period of four weeks from the expiry of the period of fixed-term employment.

19.7 Application to Convert from Fixed-Term to Continuing Employment

- (a) A fixed-term employee may apply to the University to be converted to continuing employment, provided that the employee:
 - (i) was initially appointed to the University through an externally advertised selection process; and
 - (ii) has held the position in which currently employed for a period of at least two years; and
 - (iii) is demonstrating satisfactory performance in the position.
- (b) The University may reject an application under subclause 19.7(a) on reasonable grounds and will advise the outcome of an application within 30 days. Such grounds will include, but are not be limited to, that the position is funded from one or more sources external to the University.

20.0 CASUAL EMPLOYMENT

20.1 General

- (a) Casual employment means a person engaged and paid by the hour.
- (b) A casual employee will be paid an hourly rate ("base hourly rate") calculated by dividing the weekly rate appropriate to their level and step, by the number of hours worked by an equivalent full-time employee in the same category of staff as prescribed in Schedule 5 of this Agreement. The base hourly rate for each casual step is set out in Schedule 3 of this Agreement.
- (c) Subject to subclauses 20.1(d) and 20.1(e) (relating to overtime and shift work), a casual employee will be paid, in addition to the hourly rate a casual loading of 25%.
- (d) A casual employee who works in excess of 10 hours on any day is entitled to payment calculated at:
 - (i) the base hourly rate; plus
 - (ii) the applicable overtime penalty rate on the base hourly rate; plus
 - (iii) the casual loading applicable to the base hourly rate.
- (e) A casual employee who is engaged to perform shift work is entitled to payment for each rostered shift calculated at:
 - (i) the base hourly rate; plus
 - (ii) the applicable shift loading; plus
 - (iii) the casual loading applicable to the base hourly rate.
- (f) The University will make employer superannuation contributions for casual employees to *UniSuper* in accordance with clause 13.0 of this Agreement.
- (g) The following minimum engagement periods will apply in respect of any casual engagement:
 - (i) where a casual employee is offered an engagement on any day, without a period of engagement being specified, and such offer is accepted, UNSW will not terminate that engagement before the expiry of three hours; or

- (ii) where a casual employee is offered an engagement for an agreed period on any day and such offer is accepted, UNSW will not terminate that engagement before the expiry of that agreed period or three hours, whichever is the lesser.
- (h) A person who is offered casual employment will be advised of the duties required, the number of hours required, the rate of pay for each class of duty required, and a statement that any additional duties required during the term will be paid for.
- (i) Subject to this Agreement and to the *NSW Long Service Leave Act 1955*, periods of casual employment with the University do not count as service for the purpose of determining an employee's entitlement to any benefit provided for under this Agreement which requires a minimum period of qualifying service or which is determined on the basis of length of service.

20.2 Casual Conversion

- (a) This clause sets out the process for long term casual employees to apply for conversion to either continuing or fixed-term employment. An employee will not be engaged and re-engaged nor have their hours reduced in order to avoid any obligation under this clause.
- (b) To be eligible to apply for conversion, a casual employee must be employed on a regular and systematic basis in the same or a substantially similar position in the same work unit either:
 - (i) over the immediately preceding period of 12 months and in those immediately preceding twelve months the average weekly hours worked equalled at least 50% of the ordinary weekly hours that would have been worked by an equivalent full-time employee; or
 - (ii) over the immediately preceding period of at least 24 months.

For the purposes of this clause occasional and short term work performed by the employee in another classification, job or work unit will not:

- (iii) affect the employee's eligibility for conversion; or
- (iv) be included in determining whether the employee meets or does not meet the eligibility requirements.

For the purpose of this clause, "work unit" refers to an organisational unit with control over the appointment and deployment of casual professional staff within that unit.

- (c) Conversion may be applied for in writing by an employee when an employee believes they meet the above criteria. The University will take reasonable steps from time to time to inform casual employees that they may have a right to apply for conversion under this clause.
- (d) The University may only refuse an application for conversion on reasonable grounds. Reasonable grounds include, but are not limited to, the following:
 - (i) the employee is a student, or has recently been a student, other than where their status as a student is irrelevant to their engagement and the work required;
 - (ii) the employee is a genuine retiree;
 - (iii) the employee is performing work which will either cease to be required or will be performed by a non-casual employee, within 26 weeks (from the date of application);
 - (iv) the employee has a primary occupation with the University or elsewhere, either as an employee or as a self-employed person;
 - (v) the employee does not meet the essential requirements of the position; or
 - (vi) the work is ad hoc, intermittent, unpredictable or involves hours that are irregular.
- (e) The University must determine an application for conversion either by offering conversion to continuing or fixed-term employment or by rejecting the application. If the University rejects the application, it must provide written reasons for rejecting it.
- (f) Conversion may be to either a continuing appointment or to a fixed-term appointment. The offer of conversion will indicate the hours and pattern of work which, subject to due

consideration of the employer's operational requirements and the desirability of offering the employee work which is as regular and continuous as is reasonably practicable, will be consistent with the employee's casual engagement.

- (g) Conversion may be to part-year, annualised hours or seasonal employment where by custom and practice the work has been performed by casual employees on such a basis, or otherwise by agreement by the parties.
- (h) An employee whose application for conversion is rejected will not be entitled to apply again within 12 months except where:
 - (i) that rejection is solely based upon the ground set out in 20.2(d)(iii) above; and
 - (ii) that ground ceased to apply.

21.0 JOB EVALUATION AND BROADBANDED POSITIONS

21.1 Job Evaluation

- (a) In evaluating the salary classifications for positions covered by Levels 1 to 9 of this Agreement, the University will use:
 - (i) the UNSW Classification Descriptors referred to at Schedule 10 of this Agreement which will be applied consistently and transparently, based on the principles of equity; and
 - (ii) information that accurately describes the position such as a current position description.
- (b) The salary classification of all positions will be determined by the Head of Human Resources in accordance with subclause 21.1(a) above. All staff who are delegated to perform job evaluation and/or assess re-evaluation applications are required to be appropriately trained in the UNSW Classification descriptors and in job evaluation.

21.2 Application for Re-evaluation of a Position

- (a) An application for re-evaluation of a position may be made by the employee holding the position or by the supervisor of the position. Where a supervisor requests the re-evaluation of a position, the employee who holds the relevant position will be advised.
- (b) Prior to making an application for re-evaluation, an employee may request that their supervisor provide them with a written description of their current position that can be used for the purposes of the job evaluation (such as a position description).
- (c) Unless exceptional circumstances exist, position re-evaluations will be completed and the employee advised of the outcome within 8 weeks from the date the application and supporting documentation is received by Human Resources.
- (d) An employee who submits an application for a re-evaluation of their position will not be able to make a further application for a re-evaluation of their position until a period of 12 months has elapsed.
- (e) Where an existing position is re-evaluated to a higher level, the effective date of the re-evaluation will be the date of submission of the application for re-evaluation to the University, unless the Head of Human Resources (or nominee) can determine that the position has changed from an identifiable earlier date.
- (f) Where a decision is made not to reclassify a position, the Head of Human Resources (or nominee) will, upon request, provide written reasons for the decision or, if the employee requests, meet with the employee to discuss the outcome of the re-evaluation within a reasonable period following the decision being made.
- (g) Without limiting the University's ability to change a position under clause 29.0 – Managing Change in the Workplace - of this Agreement, an application for re-evaluation under subclause 21.2(a) will only result in a position being reclassified to a higher level or no change to the current level.

21.3 Broadbanded Positions

- (a) Broadbanding involves the classification of a position across two or more classification levels in the UNSW Classification Descriptors.
- (b) Where a position is broadbanded the incremental steps across those levels will be collapsed to create a new broadbanded incremental range with fewer incremental steps as set out in Schedule 6 of this Agreement (subject to the exclusion of UNSW Canberra as detailed in Schedule 6).
- (c) The position description for a broadbanded position will include a description of:
 - (i) the range of duties and/or accountabilities for the position at each classification level consistent with the descriptors; and
 - (ii) the review process and the requirements to be met to progress to the higher classification level.
- (d) An employee appointed to a broadbanded position will be appointed to the classification level consistent with both the range of duties and accountabilities to be undertaken and their experience and skills.

PART D - HOURS OF WORK, SHIFT WORK AND OVERTIME

22.0 ORDINARY HOURS

- (a) "Ordinary hours of work" refers to either 35 hour per week employees (7 hours per day worked within the appropriate span of hours), or 38 hour per week employees (7.6 hours per day worked within the appropriate span of hours) as set out in Schedule 5 of this Agreement.
- (b) A 38 hour per week employee may change employment to 35 or 36 hours per week provided that:
 - (i) one month's written notice is provided to the University;
 - (ii) the employee will receive 35/38ths or 36/38ths of the annual salary and other employment conditions applying to a 38 hour per week employee;
 - (iii) the proposed change does not adversely affect the University's operational requirements; and
 - (iv) the employee may only revert back to 38 hours per week with the approval of the University.

23.0 SPAN OF HOURS

23.1 General

- (a) The span of hours of work for employees is as set out in Column C of Schedule 5. An employee will receive the base rate of pay for working any hours within the span of hours, plus any applicable shift loading (in accordance with clause 27.0) or overtime penalties (in accordance with clause 28.0).
- (b) An employee will only be required to attend for duty:
 - (i) once in a single day, unless such other arrangement already exists as at the date of this Agreement; and
 - (ii) not more than 5 out of 7 days, unless such other arrangement is agreed between the University and the employee.

- (c) An employee performing audio visual technician and/or theatre technician and related duties may be required to work a shift of up to 12 ordinary hours, provided that an average of 38 hours per week is worked over two weeks.

23.2 Flexible Working Arrangements

- (a) The University recognises that benefits flow to the University from family friendly and flexible work arrangements, and that these arrangements should be made available to all employees, subject to the operational requirements of the work unit.
- (b) An employee or group of employees may make a written request to introduce, or vary, flexible work arrangements, consistent with clause 46.0(c) of this Agreement. Such a request is subject to University approval and may only be refused on reasonable business grounds. Where a request is refused, upon request of the employee or group of employees, a written response will be provided.
- (c) In relation to flex-time, the University may approve an arrangement whereby an employee might work flexible start and finish times and/or work more than the number of ordinary hours of work to accumulate flex-time hours which may then be taken as time off work at a later time mutually agreed between the employee and the supervisor. Accrued flex-time hours will be equal to the period of time actually worked and will not attract shift loading or overtime payments or other penalties.
- (d) There will be no loss of flex-time hours accrued under an arrangement outlined in 23.2(c) above, without a reasonable opportunity for the employee to take the hours (recognising that during peak periods of work activity there may need to be a longer period available to take flex-time hours).

24.0 CHANGES TO THE ESTABLISHED PATTERN OF HOURS

- (a) “Established pattern of hours” is the pattern of hours within the span of hours worked by an employee consistent with the custom and practice of the work unit.
- (b) Notification of changes to the established pattern of hours of an employee within the span of hours as set out in Schedule 5 will be as follows:

Type of Change of ordinary Hours	Period of Notice by University
Temporary change	7 days’ notice (or less if mutually agreed between the employee and their supervisor)
Permanent change	21 days’ notice (or less if mutually agreed between the employee and their supervisor)

- (c) Any proposed change that gives rise to a dispute on the application of this provision, including where an employee’s personal commitments are concerned, will be dealt with according to the dispute resolution procedures of this Agreement. Until the matter is resolved, no change to the employee’s established pattern of hours will take place.
- (d) Proposed changes in the hours of operation of a work unit will be dealt with in accordance with clause 29.0 – Managing Change in the Workplace - of this Agreement.

25.0 SHIFT ROSTERS

Where an employee is required to work according to a roster, the following arrangements will apply:

- (a) Work rosters will be posted in a readily accessible place.

- (b) All rosters will indicate the commencement and cessation times of the ordinary hours of work of the respective shifts for each employee.
- (c) Changes or variations to shift rosters will be notified at least seven calendar days prior to becoming operative.
- (d) A shift roster may be changed at any time to enable the functions of the University to be carried on, where another employee is absent from duty because of illness or in an emergency. However, if such an alteration involves an employee working on a day that would have been the employee's day off, such time worked on that day will be paid for at overtime rates or time off in lieu will be taken on a mutually agreed day.
- (e) Places in shift rosters may be interchanged by agreement between the employees and the University, provided that the University will not incur additional shift or overtime penalties as a consequence of the interchange.

26.0 MEAL BREAKS

- (a) An employee will not be required to work more than five hours without a meal break of not less than 30 minutes and, except where a flex-time system allows, for not more than one hour.
- (b) However, except as provided in subclause 26.0(c), when an employee is called upon to work any portion of their meal hours, such time will count as part of their ordinary working hours.
- (c) An employee occupying a trades position referred to in Category J of Schedule 5 and who is directed to work during meal breaks will be paid at the rate of double time for that period and continue to be paid at that rate until a meal break is allowed.
- (d) An employee will not be required to work overtime beyond 6.00pm without a meal break of at least 30 minutes and such a break will not count as time worked.
- (e) This clause will not apply to employees, such as field work employees where, by agreement between the University and the affected employees or their representative, no meal break is taken but a paid crib break of 30 minutes is allowed.
- (f) An employee occupying a trades position referred to in Category J of Schedule 5 will have a paid rest period of 10 minutes between 9.00am and 11.00am, or at an earlier time mutually agreed by the employee and the University.

27.0 SHIFT PENALTIES

- (a) Shift penalties payable under this Agreement are set out in Schedule 7 of this Agreement.
- (b) During the life of this Agreement, nothing will prevent the University and an employee agreeing to the payment of annualised shift loadings in lieu of the loadings described in this clause, provided that the annualised loading is not less than the value of the shift loadings over the course of the year.
- (c) The shift loadings payable under sections (a) and (b) of Schedule 7 will be paid in addition to the base rate of pay for that part of the shift which is within the defined span, and will not be paid for the part of the shift (if any) which falls outside the defined span.

28.0 OVERTIME

28.1 Reasonable Overtime

The University may require an employee to work reasonable overtime at the applicable rates prescribed in this Agreement. An employee will not be required to work overtime if the employee satisfies the University that they cannot work that overtime. Wherever possible, an employee will be given at least 48 hours of notice of the overtime. An employee may refuse to work overtime in circumstances where

the working of such overtime would result in the employee working hours which are unreasonable having regard to:

- (i) any risk to the employee's health and safety;
- (ii) the employee's personal circumstances including any family responsibilities;
- (iii) the needs of the University;
- (iv) the notice (if any) given by the University of the overtime and by the employee of their intention to refuse it; and
- (v) any other relevant matter.

28.2 Overtime Rates

Overtime rates will be calculated to the nearest quarter of an hour as follows:

Overtime Worked		Overtime Rate
Monday to Saturday outside of ordinary or rostered hours of duty	First two hours	1½ times the base rate of pay
	All hours thereafter	Double the base rate of pay
Overtime worked on a Sunday		Double the base rate of pay
Overtime worked on a public holiday		2½ times the base rate of pay

28.3 Part-Time Employees

A part-time employee who works more hours a week than their regular hours of work a week, but not in excess of the ordinary hours of work for a full-time employee in the same classification, will be paid at the base rate of pay plus 8.33% in lieu of annual leave for each additional hour worked.

28.4 Break after Overtime

- (a) Where overtime is necessary, an employee must have at least 10 consecutive hours off duty between work on successive days, if reasonably practicable.
- (b) Where an employee works overtime and does not have 10 consecutive hours off duty between the end of one period of duty and the start of ordinary duty on the next day, the employee:
 - (i) will be paid at the overtime rate until released from duty; and
 - (ii) is entitled to be absent from ordinary duty the next day without loss of pay until a 10 hour break has been taken.
- (c) Where a shift worker works overtime for the purpose of changing shift rosters or does not report for duty and a day worker replaces the shift worker, the arrangements provided for at subclauses 27.4(a) and (b) will apply as if eight hours were substituted for 10 hours.

28.5 Minimum Overtime Payment

Type of Overtime	Min Payment
------------------	-------------

(a) When overtime is worked immediately before or after an ordinary hours shift (including a reasonable meal break)	Nil
(b) Where an employee is instructed to report for overtime on a day when the employee would not have to work, and on reporting for duty finds that there is no work.	3 hours
(c) Overtime on a Sunday or public holiday where the overtime is to perform essential work related to feeding animals, watering or similar activity.	3 hours
(d) All other overtime worked on a Sunday or a public holiday.	4 hours
(e) Where an employee is called back to work after leaving the University, provided that: (i) each call stands alone; (ii) this does not apply if it is customary for an employee to return to the University to perform pre-arranged overtime or where overtime is continuous (provided there is a reasonable meal break) with the start or end of normal working time.	4 hours

28.6 No Overtime Payment for Flexible Working Hours

An employee at Level 1 to 7 who has the permission of the University to work flex-time and who works in excess or outside of the prescribed ordinary hours of work in a day or a week under that arrangement will not be paid overtime (or arrangements in lieu under subclause 28.8) for those hours worked, unless the University requires (by a direction of an employee's manager or supervisor) the employee to work overtime, in accordance with clause 28.1 of this Agreement..

28.7 Overtime Barrier

An employee at Level 8 or above will not be entitled to the payment of overtime (or arrangements in lieu under subclause 28.8). Provided that the University may approve, as it determines appropriate, either the payment of overtime or an arrangement for time off either in accordance with this Agreement or on another basis.

28.8 Time off in lieu of Overtime Payment

- (a) If an employee works overtime and agrees to time off in lieu of overtime, the University may, instead of paying overtime, give the employee time off for a period equal to the overtime hours that would have been payable. For example, four hours overtime worked at double time is equal to eight hours time off in lieu of overtime payment.
- (b) The maximum number of hours of time in lieu instead of overtime payments that may be accumulated will not be more than the number of ordinary hours in the employee's working week.
- (c) Time in lieu will be taken at a mutually agreed time, except that the time in lieu will be taken within three months of the time that the overtime was worked. Where time in lieu has not been taken within the three month period, the employee will be paid for the overtime at the applicable rate. Where time in lieu has not been taken prior to the termination of the employee's employment, the University will pay the employee for the overtime hours that would have been payable upon termination of employment.

PART E – WORKPLACE AND ORGANISATIONAL CHANGE

29.0 MANAGING CHANGE IN THE WORKPLACE

29.1 Application

- (a) This clause applies to employees employed on continuing and on fixed term employment, subject to subclause 29.1(b).
- (b) Other than subclauses 29.3 and 29.4(a) to (f), this clause does not apply to an employee in receipt of a total remuneration package of more than \$200,000 per annum.
- (c) Other than subclauses 29.3 and 29.4(a) to (f), this clause does not apply to employees engaged on a casual basis.

29.2 General Principles

- (a) The sound management of workplace change requires the involvement of the employees who will be directly affected by such change.
- (b) An employee representative will have the same rights to consultation and access to documentation as conferred on an employee under this clause.
- (c) The University will consider any proposal to minimise or eliminate the need for retrenchments at any time.

29.3 Minor Workplace Change

- (a) The University will consult with employees who are likely to be significantly affected by minor workplace change issues prior to the formal implementation of any change. The University will allow a reasonable period for consultation to take place.
- (b) In circumstances where the University wants to change employees' regular roster or ordinary hours of work, the University must:
 - (i) provide information to the employees about the change;
 - (ii) invite the employees to give their views about the impact of the change (including any impact in relation to their family or caring responsibilities); and
 - (iii) consider any views given by the employee about the impact of the change.

29.4 Major Workplace Change

- (a) Major workplace change occurs in situations that have a major and substantial impact on the employee, such as, but not limited to:
 - (i) possible forced job losses;
 - (ii) outsourcing (including to UNSW controlled entities);
 - (iii) significant restructuring across an entire faculty, division, school or equivalent sized organisational unit;
 - (iv) relocation to another campus that involves unreasonable additional travel.
- (b) Where major workplace change is proposed, the University will:
 - (i) meet and consult with directly affected employees; and
 - (ii) provide a written, detailed workplace change proposal to directly affected staff as part of the consultation process.
- (c) The workplace change proposal will include an outline of the proposed changes, the reasons for the change proposal, the impact on staff, and the likely timeframe for consultation and implementation. The workplace change proposal will also include organisational charts, where relevant.
- (d) As part of the consultation process, a directly affected employee may request that the University provide a written description of their current duties that has been used in formulating the workplace change proposal (such as a position description).

- (e) Directly affected employees will have an opportunity to respond to the workplace change proposal and the University will consider any alternative(s) put forward. The University will also consider any response and/or alternative(s) put forward by other employees who will be affected by the workplace change proposal.
- (f) Directly affected employees will be advised in writing of any changes (including reason/s for changes) to the original proposal prior to implementation.
- (g) In filling positions in any new structure, the University will ensure that:
 - (i) an employee employed on either continuing or fixed-term employment whose position remains in the new structure and is not significantly changed will continue to hold the same or substantially similar position in accordance with their contract of employment; and
 - (ii) an employee whose position does not remain in the new structure will be given first opportunity to submit an expression of interest in any positions that have been created or made vacant in the restructure.
- (h) Where, arising from the process referred to at subclause 29.4(g)(ii), an employee has not submitted an expression of interest in any positions in the new structure or whose expression of interest is unsuccessful, the University may place the employee in any position in the new structure or elsewhere within the University provided that:
 - (i) the employee holds the necessary skills, qualifications and/or experience for the position;
 - (ii) the position requires similar skills, qualifications and/or experience and involves a similar level of: task complexity; judgement; problem solving; and independence as the substantive position held by the employee;
 - (iii) the position is at the same campus or another campus that does not involve unreasonable additional travel; and

36.2 Part-time Employees

The entitlements that apply to full-time employees (other than casual employees) set out in Part H of this Agreement will apply to part-time employees on an equivalent pro rata basis.

36.3 Casual Employees

A casual employee will not be entitled to the leave entitlements and provisions set out in clauses 37.0 – 45.0 of this Agreement, except where an express provision otherwise applies.

37.0 ANNUAL LEAVE

37.1 Entitlement and Accrual

General

- (a) An employee (other than a 7 day continuous shiftworker) will be entitled, for each 12 months of service, to take four weeks of annual leave at their base rate of pay in addition to any public holiday occurring while on annual leave.
- (b) A 7 day continuous shiftworker will be entitled, after the completion of each 12 months of service, to take five weeks of annual leave at their base rate of pay, in addition to any public holidays occurring while on annual leave.

Accrual

- (c) Annual leave will accrue progressively. Untaken annual leave will accumulate from year to year.
- (d) Annual leave will accrue at half the normal rate during any period of leave on half pay.

37.2 Direction to Take Annual Leave

- (a) The University may direct an employee to take annual leave where an employee has an accrued entitlement to annual leave of 6 weeks or more to reduce their entitlement to not less than 3 weeks at the conclusion of the leave. In special circumstances (e.g. planning overseas travel), an employee may, with the prior approval of their senior manager, accrue annual leave to a maximum of 8 weeks, provided that such leave must be reduced to not more than 2 weeks and taken within six months.
- (b) Where the University directs an employee to take annual leave, it will:
 - (i) discuss the timing of the leave with the employee and take into consideration any wishes of the employee;
 - (ii) allow the employee an opportunity to submit an application to take an appropriate amount of leave at a mutually agreed time;
 - (iii) allow the employee to take leave in one or more blocks if the employee wishes to do so; and
 - (iv) provide the employee with reasonable notice of the leave to be taken.
- (c) Nothing in this clause limits the University's capacity to direct an employee to take no more than 3 days of annual leave when the University is shut down around the Christmas/New Year period as part of the standard leave arrangements referred to in subclauses 37.1 and 37.2 of this clause. Provided that an employee with an annual leave balance of less than 6 weeks at the date of the shut down may elect to use available flex time or time off in lieu of overtime, leave without pay, or a combination thereof, instead of annual leave, or be granted annual leave in advance.
- (d) The provisions of subclause 37.2 are reasonable having regard to the nature of the University's operations and the flexible work arrangements for employees covered by this Agreement.

37.3 Other leave during Annual Leave

In accordance with applicable legislation, where an employee is eligible for another form of leave during all or part of a period on which an employee is on annual leave, subject to complying with requirements for access to that leave, any annual leave will be re-credited for the period of the other form of leave.

37.4 Payment of Annual Leave on Termination

An employee, whose employment terminates for any reason, will be paid any untaken accrued annual leave on termination.

37.5 Annual Leave Loading

- (a) An employee will be granted an annual leave loading equivalent to 17½% of four weeks at the employee's base rate of pay. - (b) An employee on shift work who proceeds on annual leave will be paid the greater of:
 - (i) in respect of leave taken in any period of 12 months, shift penalties (or other allowance paid on a regular basis in lieu) the employee would have received had they not been on annual leave; or
 - (ii) the 17½% annual leave loading as prescribed in subclause 37.6(a) below. In the case an employee engaged on seven day continuous shifts, the 17½% annual leave loading is to be calculated on the basis of 17½% of five weeks of the employee's base rate of pay.
- (c) Payment of shift penalties will not be made for:
 - (i) public holidays that occur during annual leave; or
 - (ii) leave that has been added to a period of annual leave in compensation for public holidays worked.
- (d) Broken service during a year does not attract the annual leave loading. For example, if an employee resigns and is subsequently re-employed during the same year, only the service from the date of re-employment will attract the annual leave loading, subject to the above conditions.
- (e) The annual leave loading is to be calculated on the employee's base rate of pay as at the date when the employee commences annual leave or the annual leave loading is paid.
- (f) A part-time employee who satisfies the above conditions is eligible for the annual leave loading.

37.6 Annual Leave Loading on Termination

On termination of employment, an employee will be paid out any annual leave loading they have accrued in respect of annual leave but which has not been paid.

- (i) immediately prior to taking the leave; and/or
 - (ii) on termination of employment.
- (b) If an employee has been employed at the University partly on a full-time basis and partly on a part-time basis, the long service leave entitlement will depend on the employee's employment basis on the day immediately prior to taking the leave (or at the date of termination). If on that day the employee is full-time, long service leave is to be paid at the employee's full-time rate of pay. If on that day the employee is part-time, long service leave is to be paid at the employee's part-time rate of pay, based on the average fraction of service over the employment.

38.3 Casual Employees

Where an employee takes long service leave at half pay, the employee's entitlement to long service leave will accrue at half the rate described in subclause 38.1 above.

38.6 Leave Without Pay

- (a) Where an employee has completed 10 or more years of employment with UNSW, any period/s of leave without pay not exceeding six months will count as service for accrual purposes of long service leave.
- (b) Where an employee has completed 10 or more years of employment with UNSW and the period/s of leave without pay exceed/s six months, the total of the period/s of the leave without pay will not count as service for accrual purposes of long service leave, subject to subclause 39.5.2(g) below.

 - (iv) allow the employee an opportunity to submit an application to take such leave at a mutually agreed time.

39.1 Sick Leave

An employee who satisfies the University that they are unable to perform their duties by reason of personal illness or personal incapacity will, subject to the conditions specified in this clause, be entitled, during such illness or incapacity, to sick leave with pay as follows:

(a) Employees at UNSW Canberra

The sick leave entitlement of an employee employed at UNSW Canberra is calculated by adding three weeks' sick leave on the employee's leave accrual date in each year following the commencement of this Agreement to the employee's personal leave entitlement on the day before the commencement of this Agreement, and then subtracting from this calculation the total number of days of sick leave taken since the commencement of this Agreement.

(b) All Other Employees

The sick leave entitlement of an employee is calculated (in working days) by applying the greater of the periods specified in (i) or (ii) below:

 - 15 days in the second year of service; and
 - 30 days in any subsequent year of service.

- (a) If any sick leave absence exceeds three consecutive working days, the employee must provide to their supervisor a medical certificate which covers the period of the absence.
- (b) The University may require an employee to produce a medical certificate for any sick leave absence, provided that the employee has been advised previously in writing of this requirement.
- (c) Under clause (a) and (b) above, the certificate from the medical practitioner must include a statement that the employee was/is unable to attend for duty on each/all of the day or days in respect of which the employee claims sick leave.
- (d) Where the University has required an employee to produce a medical certificate under (b) above, this requirement will be reviewed by the University within 12 months to consider whether there is still a reasonable basis for it to continue.

39.2 Carer's Leave

39.2.1 Interpretation
