Appendix 5 - 25 Day Self-Reflection Template

Instructions: For each of the 25 days, students reflect and write a short paragraph on the following:

- Goal: What was your goal for that lesson/day?
- **Reality**: What actually happened? Use data from student work samples, your observations or those of your peers.
- **Options**: Engage in critical reflection. Examine the student work samples and the evidence from the previous section. Did you achieve your goals? Cite evidence for this. If you taught this lesson again to this class, what would you do differently and why. What were the key moments in the lesson when you might have adapted your practice in response to the student learning happening at the time?
- What's Next: Consider the next steps for these students in the next lesson. What do you need to focus on in your next lesson with this class?
