Claiming Payment FAQs

Q: I shared supervision with another teacher, and we each counted the days we supervised the student. How do we write down the number of days?

A: You each write down the full number of days the student attended. Use the percentage tool to explain the capacity in which you shared supervision.

Example:

Two teachers shared supervision of a Professional Experience 1 student (20 day placement).

Teacher 1 supervised 12 days and Teacher 2 supervised 8 days.

Teacher 1 claims 60% of 20 days, and Teacher 2 claims 40% of 20 days.

Do not write down a lesser number of days. Always include the full number of days the student attended their placement.

Q: I supervised one student but coordinated a few more. How do I write this down?

A: You can include all students you coordinated in a single PR4 form and complete a second PR4 for the student you supervised.

Q: I supervised one student for PE1 and one student for PE2. Can I include them in the same form?

A: Yes. Make sure to include the full number of days for each student.

Q: Do you need my TFN?

A: No. As this is a one-off payment, all we need is the PR4 and the Statement by a Supplier forms.
