For a full list of scholarships and more information visit: <https://www.business.unsw.edu.au/agsm/scholarships-prizes>

## D. International applications

All international applicants are strongly encouraged to submit their complete applications well before the 4th round deadlines to avoid any possible delays pertaining to a visa application, and to allow for relocation arrangements to be made in the case of an offer being made.

### Student visas

It is essential that international applicants apply for a student visa as soon as the decision to accept the place on the AGSM MBA program is made, as visa applications can take up to three months to be resolved.

The application process for a student visa can be complex and unexpected delays can occur. It is the student's responsibility to allow enough time to organise their visa.

The student visa regulations may require you to have sat an IELTS test prior to lodging your application for a student visa. You should refer to the **Department of Immigration and Citizenship website** (<http://www.homeaffairs.gov.au/>) or your local Australian Consulate for more information. The **UNSW International website** (<http://www.international.unsw.edu.au/>) is also a useful resource.

\*A list of these countries is available at the **Department of Immigration and Citizenship website**: <http://www.homeaffairs.gov.au/>

## E. Interview and Selection

Complete applications are considered by the AGSM MBA Programs Admissions Selection Committee, which includes senior and academic members of the AGSM MBA Programs staff team. Meeting the requirements under 'eligibility to apply' does not imply that an offer will be made. The AGSM MBA Programs Selection Committee reserves the right to withhold offering a place on the AGSM MBA Program if upon assessment of an application there is not an appropriate "fit" (on key criteria) between the applicant and the current successful applicant pool.

After reviewing applications to the AGSM MBA Program, the Selection Committee may request that an applicant participates in an interview to obtain further information to assist in the selection process. The interview will either be a 'formal interview' conducted by a member of the Selection Committee, which is approximately 30-45 minutes in length, or a 'brief interview' conducted by an AGSM MBA representative overseas which is approximately 5-10 minutes in length. Generally, interviews are conducted by video conference, but where possible a face-to-face interview may be arranged.

Applicants should note that the interview is a formal assessable component of the application process.

**It is expected that applicants will maintain a high level of professionalism in regards to all aspects of the application process, including the interviews and conduct throughout the application process. Please note that UNSW conducts random checks on document authenticity and will immediately withdraw an application if documentation is found to be fraudulent.**

## F. Selection criteria

Applicants will be assessed on the following criteria:

1. Academic ability – an applicant's performance in the GMAT and undergraduate degree plus any additional postgraduate studies are considered in the overall assessment.
2. Work experience – quality and depth of work experience is assessed against the four key areas of competence (see point 4 in the section above). The CV and referee reports provide evidence in this regard.
3. Leadership potential, as evidenced by referee reports and video interview.
4. Community contribution in university and community clubs and programs, membership of professional organisations and evidence of scholarly achievements.

5. English language – both verbal and written skills will be assessed to ensure applicants have a satisfactory level of English for their success in the AGSM MBA Program.
6. Articulation – verbal skills, as evidenced by the referees' reports and the interview process.
7. Overall 'fit' in the program.

Admission to the AGSM MBA Program is highly competitive. An offer of a place in the AGSM MBA Program is at the ultimate discretion of the Selection Committee. The Committee reserves the right not to offer a place to an applicant who does not meet any or all the specified criteria.

## G. Application outcomes

Applicants will be notified of the outcome of their application by email.

Applicants will have four weeks to accept their position in the AGSM MBA Program by completing and submitting the Acceptance online.

If you do not accept the placement offered, your offer will expire. However, you may be able to re-enter the offer pool after a request is submitted to the Selection Committee. Approval of this request will be determined on availability of places in the program and against the calibre of current successful applicants.

An extension of the offer expiry date will only be given under "exceptional circumstances", which must be supported in writing with appropriate documentation. Any request for extension to accept an offer of a place in the program must be submitted before the offer expiry date.

Delaying acceptances may potentially affect many other applicants and their respective offers of a place in the AGSM MBA Program.

The AGSM MBA Program has a target class size of approximately 50-60 students per year and reserves the right to hold potential successful applicants on a waiting list if high demand does not allow all successful applicants a place in the Program during that admission cycle.

## H. Deferring a place

Applicants who have been offered a place on the AGSM MBA Program and who need to defer their enrolment will need to receive approval from the MBA Director. A confirmation of deferral will be sent by email, which will be followed by an official letter. An offer will be re-made early in the following admission cycle for the subsequent MBA intake.

If, after deferring your place, you choose to withdraw from the Program, UNSW reserves the right to refund your deposit minus an administrative charge. Please refer to the UNSW refunds policy.

**Please note** that our policy is to grant no more than one deferral.

## I. Withdrawing an acceptance

If, after accepting your offer you choose to withdraw, AGSM MBA Programs reserves the right to retain an administrative charge. Please refer to the UNSW refunds policy.

## J. Appeal

1. An applicant who wishes to appeal must submit a formal written appeal within 5 working days of email notification of their application being unsuccessful. This submission to the Selection Committee must address the reasons for the appeal in accordance with the selection criteria and must be no longer than 500 words. Please note applicants are not to lobby individual members of the Selection Committee or other representatives of the School. Any applicant who does so will not be permitted to continue with the appeal.
2. The Selection Committee will convene to reach a decision in accordance with the policies on MBA Program admission.
3. An MBA Programs representative will notify the applicant of the decision.

The decision of the Selection Committee on appeals is final and no further correspondence will be entered.

## K. Tuition fee deposit

For international students, a deposit of AUD\$14,000 is required to secure your place on the AGSM MBA Program. This tuition fee deposit along with your signed Acceptance of Offer form is due within four weeks of the date of your letter of offer. \*

Tuition fees are charged per unit of credit according to the subject classification (course identifier). Tuition fees are charged on a semester basis irrespective of when studies are commenced. Approximate tuition fees for students commencing their AGSM MBA in 2022 will be AUD\$78,480 (indicative only for 2022).

\*This is the predicted amount of deposit and is subject to change.
