

At UNSW, enrolment is a 2 Step process:

This schedule is subject to change

[Version: 12 November 2021]

Step 1. Annual Course Enrolment:	2022 AGSM Annual Course Enrolment - Open Monday 18 October at 11am Annual Enrolment is when you express your interest in enrolling in subjects (per mode & location) throughout the year, it is not a complete enrolment. You are encouraged to enrol early as some courses or modes may have limited capacity and if minimal interest may not be opened. If you don't intend to study in a Term, please apply for Program Leave before that Term's Census date (usually the end of week 4), in order to remain active in your Program.		
Step 2. Class Registration:	Class Registration is when you confirm your enrolment decisions made above and complete your enrolment by selecting a class (within the chosen mode & location already course enrolled in). Class Registration is usually the Wednesday of week 8 in the Term prior (Except Term 1 which is week 11 of the prior Term 3). UNSW confirms Class Registration appointment dates after census each term, for the following term.		
2022 Class Registration Opens:	For Term 1: Wednesday 24 November 2021 (12 Noon - Sydney Time)	For Term 2: Wednesday 6 April 2022 TBC	For Term 3: Wednesday 21 July 2022 TBC How to Class Register

Until a current course outline is released (approx 2 weeks prior to each Term's Class Registration date), please use the previous course code(s) to view the most recent course outline from 2021. Most of the course code numbers are the same, but there is some variation with most core now starting with a 6 & electives a 9. The pre 2022 MBAX & MNGT course code(s) are listed below each new course code (in brackets) for reference.			
TIPS	When Enrolling:-	Use the Course Enrolment Section number (CR01, CR02 etc) listed below to help identify the course mode you wish to enrol into (Step 1 of enrolment). In the enrolment system the Course Section number is displayed next to the Course title in brackets in the enrolment system. Hover over the Blue 1 in the enrolment system for additional notes regarding a courses mode.			UNSW Enrolment

International Opportunities @ AGSM		
Global Network for Advanced Management (GNAM)	MBAE students have the opportunity to participate in AGSM's exchange program or enrol in a GNAM course as part of their electives. Exchange & GNAM opportunities are limited and are allocated to students on a competitive basis. All international opportunities are managed via separate application processes by AGSM Student Experience. Student Experience will advertise in the Newsletter and the Student Community in Teams when applications for approved international courses open. In 2022 our focus is on GNW online opportunities due to the ongoing uncertainty surrounding international travel impacting study tour opportunities. Please refer to the AGSM Website or Intranet for further information.	International Exchange Traditional & Alternative Exchange International exchanges across Universities globally continue to be affected by COVID-19 and remain subject to Australian government, UNSW and partner school restrictions. Currently and until further notice any and all exchange activities remain online. If you are hopeful of completing a full-time exchange term in the 2022-2023 period please note you must have back-up options in the likely event that you are unable to undertake in-person international travel.
Global Network Weeks (GNWs) 1-week intensive in-person exchange with one of our GNAM partner schools (May move online during covid TBA). Eligible students may apply to take a course during a Global Network Week (GNW) and receive 6UOC in place of taking one elective course at AGSM. GNWs 2022: 14-18 March (confirmed online) & 13-17 June and GNW 2023: 12-16 June		
Global Network Courses (SNOCs) Small Network Online Courses Eligible SNOC courses and the application process will be advertised in the Online Student Community and AGSM newsletter.		

MBA (Executive) Executive Year - completed as a 1 year cohort experience, inclusive of 3 x 5 day Residential in 3 consecutive terms.					
Residential	From 2022 the MBAE Structure is no longer split into Stage 1 (core & electives) and Stage 2 (Executive Agenda Year (EAY)). From 2022 MBAE Students are able to enter the Executive Year after completing their 5 core courses. It is recommended to take the Executive Year after your core and electives to build on learning outcomes, but the flexibility is there to allow earlier entry (pending placements). Students take the 3 Residential courses across sequential terms, with the same cohort of students across all 3 terms.				
EY	*MBAE7501 Executive Skills	MBAE7502 Growth & Innovation	MBAE7503 Disruption & Transformation	MBAE7504 Leadership Immersion	2022 Executive Year Schedule
	*MBAE7501 Executive Skills is completed across three terms, alongside the other Executive Year Residential course being completed that term, so overall a total of 6UOC is covered across the year (2UOC per term). Approximately 1 day per Residential will cover MBAE7501 Executive Skills content. MNGT7501 Executive Skills also has a flexible component which will allow students to choose "mini-electives" from a selection of AGSM Executive Education short courses.

UNSW Policy requires that programs and materials be reviewed on a regular basis. Please note that programs, program structures, courses, and course content and facilitators are subject to change. Changes may have different impacts on students at different stages of their progress. If you would like assistance with your program planning, contact Student Experience for a Progression Consultation. We anticipate our scheduling to be impacted by COVID-19 for the foreseeable future and this may require very late changes to arrangements. AGSM reserves the right to alter any offering if circumstances require. Every effort will be made to find an alternate option for affected students, however this is not always possible.
