

AGSM Annual Course Calendar 2022 MBAX (Online) Program

At UNSW, enrolment is a 2 Step process: [This schedule is subject to change](#) (Version: 12 November 2021)

Step 1. Annual Course Enrolment.	2022 AGSM Annual Course Enrolment - Opened Monday 18 October 2021 Annual Enrolment is when you express your interest in enrolling in subjects (per mode & location) throughout the year. It is not a complete enrolment. You are encouraged to enrol early as some courses or modes may have limited capacity and if minimal interest may not be opened. If you don't intend to study in a Term, please apply for Program Leave before that Term Commence (usually the end of week 4), in order to remain active in your Program.
Step 2. Class Registration.	Class Registration is when you confirm your enrolment decisions made above and complete your enrolment by selecting classes (within the chosen mode & location) already course enrolled in. Class Registration is usually the Wednesday of week 8 in the Term prior (except Term 1 which is week 11 of the prior Term 3). UNSW confirms Class Registration appointment dates after census each term, for the following term.

2022 Class Registration Opens:	For Term 1: Wednesday 24 November 2021 (12 Noon - Sydney Time)	For Term 2: Wednesday 6 April 2022 TBC	For Term 3: Wednesday 21 July 2022 TBC	How to Class Register

Until a current course outline is released (approx 2 weeks prior to each Term Class Registration date), please use the previous course code(s) to view the most recent course outline from 2021. Most of the course code numbers are the same, but there is some variation with most core now starting with a 6 & electives a 9. The pre 2022 MBAX & MNGT course code(s) are listed below each new course code (in brackets) for reference.		
TIPS	When Enrolling:	Use the Course Enrolment Section number (CR01, CR02 etc) listed below to help identify the course mode you wish to enrol into (Step 1 of enrolment). In the enrolment system the Course Section number is displayed next to the Course title in brackets, when listing the available Course level classes to enrol into. Hover over the Blue 1 in the enrolment system for additional notes regarding a courses mode.

UNSW Policy requires that programs and materials be reviewed on a regular basis. Please note that programs, program structures, courses, and course content and facilitators are subject to change. Changes may have different impacts on students at different stages of their program. If you would like assistance with your program, contact Student Experience for a Program Consultation. We anticipate our scheduling to be impacted by COVID-19 for the foreseeable future and this may require very late changes to arrangements. AGSM reserves the right to alter any offering if circumstances require. Every effort will be made to find an alternate option for affected students, however this is not always possible.
