UNSW Policy requires that programs and materials be reviewed on a regular basis. Please note that programs, program structures, courses, and course content and facilitators are subject to change.
Changes may have different impacts on students at different stages of their progress. If you would like assistance with your program planning, contact Student Experience for a Progression Consultation.
We anticipate our scheduling to be impacted by COVID-19 for the foreseeable future and this may require very late changes to arrangements.
AGSM reserves the right to alter any offering if circumstances require. Every effort will be made to find an alternate option for affected students, however this is not always possible.
