

AGSM Annual Course Timetable - 2022

MBA (Executive) Program

This Timetable is subject to change

At UNSW, enrolment is a 2 Step process:

(Version: 19 May 2022)

Step 1. Annual Course Enrolment. <small>(Closed Monday 18 Oct 2021)</small>	Annual Enrolment is when you express your interest in enrolling in courses (per mode & location) throughout the year. It is not a complete enrolment. You are encouraged to course enrol early as some courses or modes may have limited capacity and if minimal interest may not be opened. If you don't intend to study in a Term, please apply for Program Leave before that Term's Census date (usually the end of week 4), in order to remain active in your Program.			
Step 2. Class Registration.	Class Registration is when you confirm your enrolment decisions made above and complete your enrolment by selecting a class (within the chosen mode & location already course enrolled in). Class Registration is usually the Wednesday of week 8 in the Term prior (except Term 1 which is week 11 of the prior Term 3). UNSW confirms Class Registration appointment dates after census each term, for the following term.			
2022 Class Registration Opens:	Term 1 Class Registration Opens: Wednesday 24 Nov 2021	Term 2 Class Registration opens: Wednesday 6 April 2022	Term 3 Class Reg opens: Wednesday 21 July 2022 (Teme TBA)	How to Class Register
Class Timetables Are released approx 2 weeks prior to each Term's Class Registration open date.	Term 1 Class Timetable *	Term 2 Class Timetable **	Term 3 Class Timetable (will be posted early July)	

* The Class Timetable links above are to the AGSM Student Intranet and only current students have access.

NEW Course Codes: From 2022 the course code prefix on MBA & MBA (Executive) courses has been changed to AGSMxxx. This should assist students with the enrolment process and mode selection. Until a current course outline is released (approx 2 weeks prior to each Term's Class Registration date), please use the previous course code(s) to view the most recent course outline from 2021. Most of the course code numbers are the same, but there is some variation with most core now starting with a 6 & electives a 9. The pre 2022 MBA & MNGT course code(s) are listed below each new course code (in brackets) for reference.

TIPS When Enrolling: Use the [Course Enrolment Section](#) number (CR01, CR02 etc) listed below to help identify the course mode you wish to course enrol into (Step 1 of enrolment). In the enrolment system the Course Section number is displayed next to the Course title in brackets in the enrolment system. Hover over the Blue I in the enrolment system for additional notes regarding a courses mode.

UNSW Policy requires that programs and materials be reviewed on a regular basis. Please note that programs, program structures, courses, and course content and facilitators are subject to change. Changes may have different impacts on students at different stages of their progress. If you would like assistance with your program planning, contact Student Experience for a Progression Consultation. We anticipate our scheduling to be impacted by COVID-19 for the foreseeable future and this may require very late changes to arrangements. AGSM reserves the right to alter any offering if circumstances require. Every effort will be made to find an alternate option for affected students, however this is not always possible.
