MBA 'General' (No Specialisation)

We have created an MBA option that doesn't require you to specialise. This adds further flexibility to an MBA with the AGSM and means you can choose electives more freely from our portfolio of courses. You graduate with a **Master of Business Administration** (General is not listed as a specialisation choice).

Requires 6 elections in total from any AGSM elective or specialisation courses.

MBA (Law) Specialisation courses

We recommend completing your core courses first. Please note some these courses run within different teaching periods (egg T1A, T2A & T3A) and have an earlier census date (egg Law foundation course).

For guidance on Law course enrolment please contact the Law Program Authority. [Law & Justice Programs Authority](#) [UNSW Law Course Outlines](#)
