

AGSM Annual Course Calendar - 2023

MBAX (Online) Program

This Timetable is subject to change

Annual enrolment is a 2 Step process:

Step 1. 2023 Annual Course Enrolment: Annual enrolment is when you express your interest in enrolling in courses (per mode & location) throughout the year. It is not a complete enrolment. You are encouraged to enrol early as some courses or modes may have limited capacity and if minimal interest may not be opened. If you don't intend to study in a Term, please apply for Program Leave (before that Term Census date usually the end of week 4), in order to remain active in your Program.

Step 2. Class Registration: Class Registration is when you confirm your enrolment decisions made above and complete your enrolment by selecting a class (within the chosen mode & location already course enrolled in). Class Registration is usually the Wednesday of week 8 in the Term prior (except Term 1 which is week 11 of the prior Term). UNSW confirms Class Registration appointment dates after census each term, for the following term.

Class Timetable: Class Timetable are released approx 2 weeks prior to each Term. Class Registration open dates are published on the AGSM Student Intranet which only current students have access to.

Term 1 Class Registration Opens: Wednesday 23 May 2023 (11am - 5PM AEST)

Term 2 Class Registration Opens: Wednesday 5 April 2023 TBC

Term 3 Class Registration Opens: Wednesday 19 July 2023 TBC

Term 1 Class Timetable: Link will be added in Nov 2022

Term 2 Class Timetable: Link will be added in 2023

Term 3 Class Timetable: Link will be added in 2023

General

We have created an MBAX option that doesn't require you to specialise. This adds further flexibility to an MBA with the AGSM and means you can choose electives more freely from our portfolio of courses. You graduate with a **Master of Business Administration (General)** (not listed as a specialisation choice).

Requires 4 electives in total from any AGSM elective or specialisation courses.

UNSW Public requires that programs and materials be reviewed on a regular basis. Please note that program, program structures, courses, and course content and facilities are subject to change. Changes may have different impacts on students at different stages of their program. If you would like assistance with your program planning, contact Student Experience for a Program Consultation. We anticipate our scheduling to be impacted by COVID-19 for the foreseeable future and this may require very late changes to arrangements. AGSM reserves the right to alter any offering if circumstances require. Every effort will be made to find an alternate option for affected students, however this is not always possible.
