## ADEQUATE SUPERVISION

The guidance I received from my supervisor was: d

I met with my supervisor:

I received constructive feedback on my work:

How would you describe your overall experience on this placement?

What elements of the PLT coursework did you apply to this placement?

What did you learn about the work of a legal practitioner?

What benefits did you gain? Were there lessons that you learned about what to do and what not to do?

How has the experience influenced your views of legal practice and your future intentions?

What observations can you share that will assist us to improve future placements (if any)?

Were you offered a job, extension or other subsequent arrangement at the conclusion of the placement?

If yes, please provide brief details about this offer.

I confirm that, to the best of my knowledge, this work placement meets the requirements for PLT workplace experience.
