

2017 Partnership Established

UNSW signed a Memorandum of Understanding (MoU) with the ACT Government, marking the beginning of a shared vision to create a vibrant new precinct spanning Constitution Avenue in Reid and Parkes.

2020 Precinct Deed Signed

The Precinct Deed was signed formalising the commitment between UNSW and the ACT Government to develop the UNSW Canberra City precinct.

2023 Canberra City Masterplan

The ACT Government approved the UNSW Canberra City Masterplan, developed with community consultation to help shape the project's early design.

2024 Community

UNSW held further community consultation following an update to the Stage 1 project design. The ACT Government endorsed the development and education, research and Launch activities started at UNSW Canberra City.

2025 Planning

The National Capital Authority progressed Stage 1 consultation and planning. The first undergraduate Cyber Security course commenced at UNSW Canberra City.

2026 Construction

Remediation works and construction of two new Stage 1 buildings will commence, with completion expected after approximately two and a half years.

2028 Precinct Expansion Opening

UNSW Canberra City Stage 1 is expected to open in Semester 2, welcoming students, staff and the broader community to a new era of learning, research and innovation.
