

**SCHOOL OF OPTOMETRY AND VISION SCIENCE
UNSW**

**SUPPLEMENTARY EXAMINATION TIMETABLE
TERM 1, 2024**

The information below is all that is available regarding supplementary examinations. Please do not contact the Course Controllers or School to ask for further details regarding the examinations.

This is for OPTM and VISN courses only. Information regarding further assessment in servicing courses must be obtained from the School responsible.

Please note that the rules and regulations governing the examinations held within the formal examination period by the University also apply to these supplementary examinations. This includes displaying your student identification card on your desk in the examination room for the duration of the examination.

PLEASE ADVISE THE SCHOOL IMMEDIATELY OF ANY CLASHES.

This document consists of four pages.

VISN1101 Seeing the World: Perspectives from Vision Science

The Supplementary Exam for Seeing the World: Perspectives from Vision Science for the following students is on **Wednesday, 15th May 2024 at 09:45 AM – 12:00 PM** for a 2 hour duration (plus 15 mins reading time – note this time is given to you for reading but you may start answering questions from 9:45am). Location for the supplementary exam is at **Optometry BT Tutorial Room 3.051, level 3, Rupert Myers North Wing**

The format will be similar to that of the original examination; the formula sheet as well as the standard norms z-scores will be provided. You may use a UNSW approved calculator

Please bring your fully charged laptop, power cord for your laptop, UNSW ID Card and be available outside Optometry BT Tutorial room 3.051 at 9:15AM on Wednesday, 15th May and ensure you download the LATEST Safe Exam Browser (SEB) for your laptop before Wednesday, 15 May at [Inspera: On-Campus Invigilated Final & Supplementary Exams | UNSW Current Students](#)

[SEB for MAC \(version 3.2.5\)](#)

[SEB for Windows \(version 3.5.0\)](#)

Please turn over

VISN1101 Seeing the World: Perspectives from Vision Science (...continue...)

Also, please ensure you check this website for recommended laptop devices:

<https://www.student.unsw.edu.au/exam/calculators>

Install the UNSW compatible version of Safe Exam Browser for Mac or Windows from the links above. If you have already download SEB from elsewhere online, your UNSW Inspira test may not work. Please uninstall the incorrect version and then install the correct version.
