Is Diet Linked to Dry Eye Disease?

HC Number: HC190428

For:
Completion of three online questionnaires:
- The Healthy Eating Quiz
- Ocular Surface Disease Index
- Paffenbarger Physical Activity Questionnaire Q8

Where:
You will be emailed the questionnaires and can complete them from home in your own time.

If you are interested in being a part of the study or would like more information please contact: Fajar: f.rana@student.unsw.edu.au or Afrida: a.ruhi@student.unsw.edu.au

Can you spend 10-15 minutes to tell us about your diet, exercise and how dry your eyes feel?

Are you over 18 years old?

You are NOT taking the following medications: oral contraceptives, antidepressants, antihistamines, diuretics and beta-blockers.

If you answered yes to all of the above, we would like to hear from you!
